OF
HERMOSA PROPERTY OWNERS ASSOCIATION

This Declaration of Covenants, Conditions and Restrictions is made and entered into by SHEPHERD LLC (collectively, "Declarant") whose mailing address is 2249 Rolling Creek, Spring Branch, Texas 78070

RECITALS

A. Declarant is the owner of certain real property located in Kerr County, Texas, which is more fully described by metes and bounds in Exhibit "A", which Exhibit is attached hereto and incorporated herein by reference for all purposes and which is a subdivision in Kerr County, Texas, per the plat recorded in Volume 7, Page 239, Plat Records, Kerr County, Texas ("Plat").

B. Declarant has devised a general plan of development for the entire Property which provides a common scheme of development designed to protect and preserve the character and natural beauty of the Property over a long period of time.

C. This general plan will benefit the Property in general and the parcel or tracts which constitute the Property, the Declarant and each successive owner of an interest in the Property.

D. Therefore the Declarant desires to restrict the Property according to these covenants, conditions and restrictions in furtherance of this general development plan.

NOW, THEREFORE, it is declared that all of the Property shall be held, sold, occupied, transferred and conveyed subject to the following easements, restrictions, covenants, charges, liens and conditions (collectively, these "Restrictions").

ARTICLE I

3. "Declarant" shall mean SHEPHERD LLC, collectively, or an agent designated in writing by SHEPHERD LLC, to act on its behalf as Declarant and any assignee or successor thereof.

Owner shall not include any lienholder, secured party, mortgagee, lessee, invitee or guest, but even though an Owner may lease a Tract or permit invitees or guests, and may delegate to each tenant, invitee or guest, the right and easement of use and enjoyment in and to the Roads, such parties and such use and enjoyment by such parties shall be subject to, and as provided in, the provisions of this Declaration, and any lease or agreement shall provide that the terms thereof shall be subject in all respects to the provisions of this Declaration and any failure by the lessee, invitee or guest to comply with the terms and provisions of this Declaration shall be and constitute a default under such lease or agreement and shall be a violation of this Declaration with the same consequences as if such Owner delegating such right and easement had violated the same.

7. "Parcel" or "Tract" shall mean each lot, tract, parcel and portion of the Property as shown, described and established by the Plat of the Property referenced herein.

- (iii) to be developed by Declarant in a manner consistent with the concept contemplated by this Declaration.

Such additional real property may become subject to this Declaration by Declarant who may, without the consent of any Owner, which consent is expressly waived by each Owner, at any time and from time to time, add to any such property which it presently owns or which it may hereafter own, by filing of record a supplement to this Declaration, which shall extend the concept of the covenants, conditions and restrictions of this Declaration to such additional real property; provided, however, that such supplement may contain such complementary additions and modifications of the different character, if any, of the added properties and as are not inconsistent with the concept of this Declaration. In no event, however, shall such supplement modify or add to the covenants established by this Declaration. Declarant may make any such addition even though at the time such addition is made, Declarant is not the owner of any portion of the property described herein. Each supplement may designate the number of separate parcels or tracts comprising the properties added or such designation may be deferred to further and subsequent supplements as herein provided. ARTICLE 2

Architectural Control Committee Wildlife Management Committee

1. Architectural Control Committee.

VOL. 1363 PAGE 0348

- A. Declarant shall designate and appoint an Architectural Control Committee consisting of not less than three (3) persons which shall serve at the pleasure of Declarant until seventy-five percent (75%) of tracts have been conveyed to third parties (other than assignee of Declarant hereunder) and thereafter, the Architectural Control Committee shall serve at the pleasure of the Board. Members of the Board may serve on the Architectural Control Committee.
- B. The Architectural Control Committee must review and approve in writing the construction of any building, fence or other structure and any exterior addition, change, or alteration in any building, fence or other structure.
- C. To obtain approval to do any of the work described in Paragraph B immediately above, an Owner must submit an application to the Architectural Control Committee showing the plans and specifications for the proposed work, which plans and specifications shall detail the nature, shape, height, materials, colors and location of the proposed work.
- D. The Architectural Control Committee shall review applications for proposed work in order to (i) ensure conformity of the proposal with these covenants, conditions, and restrictions, and (ii) ensure harmony of external design in relation to surrounding structures and topography. An application can be rejected for providing insufficient information. The Architectural Control Committee shall have broad, discretionary authority to interpret and apply these standards. In rejecting an application, the Architectural Control Committee should detail the reasons for rejection and suggest how the applicant could remedy the deficiencies.
- E. If the Architectural Control Committee fails either to approve or reject an application for proposed work within sixty (60) days after submission, then Architectural Control Committee approval shall not be required, and the applicant shall be deemed to have fully complied with this Article.
- F. The members of the Architectural Control Committee shall not be entitled to compensation for nor liable for damages, claims or causes of action arising out of, services performed pursuant to this Article. Any two members of the Architectural Control Committee may approve or disapprove any matter before the Architectural Control Committee. The determination and decision by the Architectural Control Committee as to whether a variance should be granted shall be final and binding on all Owners, and neither the Architectural Control Committee nor any of its members shall be liable for damages, claims or causes of action arising out of any decision or action performed or taken hereunder. The Architectural Control Committee may consider in granting or denying any variance the nature of the use of the land, the structure to be constructed, the topography of the land, land use and structures on surrounding areas, and the effect, if any, of the variance on the appearance of the completed structure. The Architectural Control Committee may impose such conditions as it deems appropriate in granting any such variance. Any such variance, if granted, shall apply only to the particular property and situation specified, and shall not amend this Declaration, or any provisions hereof nor shall it be a variance as to any other property or situation.

2. Wildlife Management Committee. The Wildlife Management Committee shall be composed of at least three (3) Members of the Association and a Chairman appointed by the Declarant until 75% of the tracts are transferred to third parties (other than assignee of Declarant hereunder) and thereafter shall be appointed by the Board. The initial members of such Wildlife Management Committee may be the same as the members of the Architectural Control Committee. A majority of votes shall prevail on any issue or subject requiring a decision of the Wildlife Management Committee. The Wildlife Management Committee may designate a representative to act for it. No compensation shall be due or paid to members of the Wildlife Management Committee for services performed pursuant to this covenant. The Wildlife Management Committee shall be responsible for overseeing the management of the free roaming wildlife within the Property. The Wildlife Management Committee shall resolve all disputes concerning wildlife matters between Owners and their decision shall be binding on Owners.

ARTICLE 3

Exterior Maintenance/Roads/Assessments/Drainage

1. If any Owner of any Tract or Parcel fails to maintain the Tract or Parcel in a neat and orderly manner, the Declarant or the Architectural Control Committee shall have the right, through its agents and employees, to enter the Tract or Parcel in order to repair, maintain, and restore the Tract or Parcel, including landscaping, and the exterior of any building and other improvements located on the Tract or Parcel, all at the expense of the Owner. Such expense shall be an assessment against such Owner and such Owner's Tract(s) to the same extent as provided in this Article 3 for other assessments.

2. The Declarant has dedicated and created the Roads under and by the Plat and 75% of the Tracts have been conveyed by Declarant to third parties (not an assignee of Declarant hereunder) at such times as Declarant will convey the Roads to the Association, free and clear of all encumbrances and liens other than the lien of current taxes and assessments not in default and utility easements and mineral interests outstanding and of record in Kerr County, Texas.

3. The Roads shall be jointly used by the Owners and the Association for roadways, walkways, ingress and egress, for driveway purposes, and for the convenience and comfort of guests, invitees and tenants of the Owners and occupants of the Property and as such shall be private roads, not dedicated to the public; provided, that the Declarant may grant an easement for use of the Roads as access thoroughfare to or from properties contiguous or adjacent to the Property. Persons using the Roads in accordance with this Agreement shall not be charged any fee for such use. The Roads shall be used with reason and judgment so as not to interfere with the primary purpose of the Roads. The foregoing shall not be construed as forbidding the granting of appropriate and proper easements for installation, repair and replacement of utilities and other proper services necessary for the orderly development and occupancy of the Property and improvements on the Property.

4. The Roads shall be used subject to the terms hereof and shall be maintained by the Association in good condition and repair, said maintenance to include without limiting the generality of the foregoing, the following:

- A. Maintaining the surfaces in a level, smooth and evenly covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use and durability.

VOL. 1363 PAGE 0350

- B. Removing all papers, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition.
- C. Placing, keeping in repair and replacing any necessary appropriate directional signs, markers and lines.
- D. Operating, keeping in repair and replacing, where necessary, such artificial lighting facilities as may be or have been installed by Declarant, if any, or otherwise authorized by the Association.
- E. Maintaining the front gate in a good condition and state of repair; and
- F. Maintaining all landscaping areas and making such replacements of shrubs and other landscaping as is necessary.

All portions of the Roads shall be maintained as outlined above at the expense of the Association.

5. The Owners, as Members of the Association, shall pay assessments on an equal basis (i.e., divided equally among the Owners based upon the number of acres owned which is herein referred to as the "Pro Rata Share" of such Owner). The initial assessment ("Initial Assessment") shall be established by Declarant and shall be collected by the Association and the Board shall enforce the provisions of this Declaration with respect to such Initial Assessments. The assessments provided for herein shall commence as to all Tracts on the first day of the month following the determination of such assessments by Declarant or the Board, as the case may be, and shall be payable in equal installments, in advance, on the first day of each month. A change in the assessments of more than twenty percent (20%) over the Initial Assessment shall require a majority vote of the Owners.

6. The arrangement, improvement and location of the Roads shall not be changed except by majority vote of the Members. By majority vote of the Members a third party may be appointed as an agent to maintain the Roads in a manner as above outlined and such third party may receive for such agency a fee to cover supervision, management, accounting and similar fees, which sums are to be included in the general maintenance expense paid by the Owners through the Association.

7. Each Owner hereby covenants and agrees and shall be deemed to covenant and agree to pay such assessments and such assessments shall be for property taxes, insurance, and other expenses, costs and charges for the Roads, for the administration of the Association and for the improvement, repair and maintenance of the Roads and drainage facilities. Such assessments may be fixed, established and collected from time to time pursuant to the provisions hereof. The assessments, together with such interest thereon and costs of collection, shall be a continuing lien upon the Property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof, shall also be the continuing personal obligation of the person or persons who owned the Property at the time when the assessment fell due.

8. After the transfer of the Roads to the Association the Board shall determine the assessments by formulating a budget and an estimate of the net costs, expenses, and charges, for which assessments are to be paid as provided in subparagraph 7 above, that are anticipated for the following year and a reserve for future years (the "Estimated Cash Requirement"). The Estimated Cash Requirement shall be submitted to the Owners at a meeting of Members of the Association and upon approval by majority vote of the Members shall be assessed to each Owner according to the Pro Rata Share of such Owner. If said sum estimated proves inadequate for any reason, including nonpayment of any Owner's assessment, a further assessment

VOL. 1363 PAGE 0351

may be assessed which shall be assessed to the Owner's in the same manner as the Estimated Cash Requirement. Each Owner shall be obligated to pay assessments made pursuant to this paragraph. All funds collected hereunder shall be expended for the purposes designated herein. The time and place for payment of assessments shall be established by the Board.

9. There is created by recordation of this Declaration a present and continuing lien upon each part and parcel of the Property to secure the payment of all assessments levied pursuant to the terms hereof. Each assessment shall be a separate, distinct and personal debt and obligation of the Owner against whom the same is assessed. Any delinquent assessment shall, after thirty (30) days' delinquency, bear interest from original due date at the highest lawful rate. In the event of a default or defaults in payment of any assessment or assessments, and in addition to any other remedies herein or by law provided, any non-defaulting Owner may enforce each such obligation as follows:

A. By suit or suits at law by the Association to enforce each assessment obligation; each such action to be authorized by the Board and any judgment rendered in any such action to include a sum for reasonable attorneys' fees.

B. At any time an Owner is in default in paying such assessments, the Board may give a notice to the defaulting Owner, which notice shall state the date of the delinquency and the amount of the delinquency, and make a demand for payment thereof. If such delinquency is not paid within ten (10) days after delivery of such notice, the notice of assessment may be recorded against the Tract(s) of such delinquent Owner. Such notice of assessment shall state (1) the name of the record Owner, (2) a description of the Tract(s) against which the assessment is made, (3) the amount claimed to be due and owing, (4) that the notice of assessment is made pursuant to the terms of this Declaration (giving the date of execution and the date, book and page references of the recording hereof in the County of Kerr), and (5) that a lien is claimed against the described Tract(s) in an amount equal to the amount of the stated delinquency. The lien herein specified shall attach to such delinquent Owner's Tract(s). Each default shall constitute a separate basis for a notice of assessment or a lien. Any such lien may be enforced by action in court and attorneys' fees shall be payable in connection therewith.

C. For value received and to secure payment of said assessment, each Owner by acceptance of a conveyance of such Owner's Tract(s) subject to this Declaration conveys such Owner's Tract(s) to David L. Jackson, Trustee, and grants to said Trustee a power of sale, in trust for the benefit of the Association under and pursuant to the terms hereof. If such Owner defaults in the payment of any assessment and the default continues after the Association gives such Owner notice of the default and the time within which it must be cured, as may be required by law, then the Association may request the Trustee to foreclose this lien by non-judicial foreclosure under and in accordance with the Texas Property Code, as amended; in which case they or their agent shall give notice of the foreclosure sale as provided by the Texas Property Code, as then amended, and the Association may purchase the Tract(s) of such delinquent Owner at any foreclosure sale by offering the highest bid and then have the bid credited on the delinquent assessment. In case of any sale hereunder, all prerequisites to the sale shall be presumed to have been performed, and in any conveyance given hereunder, all statements of facts, or other recitals therein made as to the nonpayment of money secured, or as to the request to the Trustee to enforce this trust, or as to the proper and due appointment of any substitute trustee, or as to the advertisement of sale, or time, place, and manner of sale, or as to any other preliminary fact or thing, shall be taken in all courts of law or equity as prima facie evidence that the facts so stated or recited are true. At the option of any non-defaulting Owner with or without any reason, a successor substitute trustee may be appointed without any formality other than a designation by the Association in writing of a successor or substitute trustee, who shall thereupon become vested with and succeed to all the powers and duties given to the Trustee herein named, the same as if the successor or substitute trustee had been named original Trustee herein; and such right to appoint a successor or substitute trustee shall exist as

VOL. 1363 PAGE 0352

often and whenever the Association desires. The delinquent Owner will pay all reasonable attorney's fees and expenses which may be incurred by the Association and any non-defaulting Owner or Trustee, in enforcing the terms hereof, or in any suit to which they may become a party where this Declaration is in any manner involved and all expenses incurred in presenting a claim against the estate of a decedent or a bankrupt.

10. The Association shall obtain public liability insurance with limits of not less than \$100,000/\$300,000 covering the Roads.

11. Each and every change or burden imposed or that may be imposed upon the Tracts or any part thereof pursuant to any provision of this Declaration, is, and shall at all times be senior and prior to the lien or charge of any mortgage or deed of trust affecting the Property or any part thereof, or any improvements now or hereafter placed thereon except as provided in subparagraph 12 in this Article; but a breach of any of the covenants or conditions hereof shall not defeat or render invalid the lien or charge of any such mortgage or deed of trust.

12. If any Owner shall sell or transfer or otherwise terminate his interest as owner in a Tract, then from and after the effective date of such sale, transfer or termination of interest, such party as the case may be shall be released and discharged from any and all personal obligations, responsibilities and liabilities under this Declaration as to such Tract, except those which have already accrued as of such date.

13. It is expressly understood that the parties are not dedicating the Roads for use by the general public, but only for the Owners, but by approval the Roads may be dedicated by and upon the majority vote of the Members.

14. Declarant, for each Tract owned by it within the Property, hereby covenants and agrees, and each purchaser of any Tract by acceptance of a deed therefor, whether or not it be deemed to covenant and agree, to pay to the Association the assessments and charges specified in this Declaration.

15. Written notice of the assessment shall be delivered or mailed to every Owner subject thereto.

16. Assessments shall be due on the date specified in the notice thereof as herein provided. If any assessment or part thereof is not paid within 30 days after the delinquency date, the unpaid amount of such assessment shall bear interest from the date of delinquency at the rate of 12% per annum, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the Tract(s) subject thereto and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action.

17. The lien of the assessments provided for herein shall be subordinate and inferior to the lien or equivalent security interest of any first mortgage or deed of trust now or hereafter placed upon a Tract subject to assessment if the mortgage or deed of trust is placed upon the Tract at a time when no default has occurred and is then continuing in the payment of any portion of the assessment for such Tract; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the time when the holder of any first mortgage or deed of trust comes into possession of a Tract under the provisions of the mortgage, by virtue of foreclosure of the mortgage, or by deed or assignment in lieu of foreclosure or the time when a purchaser at any such foreclosure sale comes into possession, except for claims for a share of such charges or assessments resulting from a reallocation of such charges or assessments to all Tracts including the mortgaged Tract in question. Such sale shall not relieve such Tracts from liability

VOL. 1363 PAGE 0353

for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

18. The omission of the Board, before the expiration of any year, to give notice of the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay the assessments, for that or any subsequent year, but the assessment shall continue until notice is given.

19. No Owner shall alter or change the drainage and/or drainage facilities on, over or across such Owner's Tract and Parcel and each Owner grants to the Association the easement of ingress and egress over and upon each Tract and Parcel for the maintenance and repair of drainage and drainage facilities on each Tract and Parcel. The Association shall repair and maintain all drainage facilities on and within the Property and the cost thereof shall be included in the assessments to be made as herein provided.

ARTICLE 4

AMENDMENT TO
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
OF
HERMOSA PROPERTY OWNER'S ASSOCIATION

THIS AMENDMENT TO THE DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS is entered into as of the 11 day of May, 2007, by SHEPHERD LLC ("Declarant");

WITNESSETH:

A. Declarant desires to amend the existing Declaration of Covenants, Conditions, and Restrictions which Declarant previously executed and recorded the Declaration in Volume 1363, Page 346, Real Property Records, Kerr County, Texas.

B. Declarant has the right to amend the Declaration under Article 6 of the Declaration.

NOW, THEREFORE, Declarant does hereby amend the Declaration as follows:

Article 4, Item 25 of the Declaration of Covenants, Conditions, and Restrictions of Hermosa Property Owner's Association is amended to read as follows:

"No electricity poles or lines shall be erected along the roads on the property. Declarant, hereby clarifies that "along the roads" means no electricity poles or lines shall be erected within ten (10) feet of the edge of the pavement on either side of the road (16 foot wide "paved country lane" established by Kerr County Subdivision Rules and Regulations, June 10, 2002) for purposes of drainage, safety, service, and maintenance. Overhead lines may cross the road and this restriction does not prohibit such lines crossing the road to provide service to other properties. The road is located within a sixty (60) foot wide easement. Nevertheless, the perpetual easements granted to Kerrville Public Utility Board and Hill Country Telephone are superior to this restriction, and in case of conflict, the provisions of the granted perpetual easements shall govern."

EXECUTED as of the 11 day of May, 2007.
