Likewise, any person entitled to enforce the provisions hereof may recover such damages as such person has sustained by reason of the violation of such provisions. It shall be lawful for the Developer or for any person or persons owning property in the Subdivision (or in any other Section of Riverhill Estates) to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any of such provisions.

II

ARCHITECTURAL CONTROL

BASIC RULE

1. No lot shall be re-subdivided. No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design thereof or any addition made thereto or exterior alteration made therein after original construction, on any property in the Subdivision without approval (as hereinafter provided) of the construction plans and specifications and a plat showing the location of such building or other improvements. Approval shall be granted or withheld based on compliance with the provisions hereof, quality of materials, harmony of external design with existing and proposed structures and location with respect to topography, adjacent structures, obstruction of view from nearby or adjoining lots and finished grade elevation.

ARCHITECTURAL
CONTROL AUTHORITY

VOL 179 PAGE 769

2. a. The authority to grant or withhold architectural control approval as referred to above is vested in the Developer; except, however, that such authority of the Developer shall terminate upon the election of the Riverhill Estates Architectural Control Committee, in which event such authority shall be vested in and exercised by the Riverhill Estates Architectural Control Committee (as provided in b. below), except as to plans and specifications and plats theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plats.

b. At such time as all of the lots in the Sub-division and in all other Sections of Riverhill Estates (as platted, from time to time, hereafter) shall have been sold by the Developer, then the Developer shall cause a Statement of such circumstances to be placed of record in the Deed Records of Kerr County, Texas. Thereupon, the lot owners in Riverhill Estates may by vote, as hereinafter provided, elect a committee of three (3) members to be known as the Riverhill Estates Architectural Control Committee (herein referred to as the "Committee"). Each member of the Committee must be an owner of property in some Section of Riverhill Estates. Each lot owner shall be entitled to one (1) vote for each whole lot or building site owned by that owner. The action of a majority of the Committee shall control and the Committee shall have the right to designate a representative to act for it in all matters arising hereunder.

The Developer shall arrange for such election within sixty (60) days following the filing of the aforesaid Statement. Notice of the time and place of such election (which shall be in Kerr County, Texas) shall be given not less than five (5) days prior thereto.

Votes of owners shall be evidenced by written ballot furnished by the Developer (or the Committee) and the Developer (or the Committee) shall maintain said ballots for a period of not less than four (4) years. Any owner may appoint a proxy to cast his ballot in such election, provided that his written appointment of such proxy is attached to the

ballot as a part thereof. The results of each such election shall promptly be determined on the basis of the majority of those owners then voting in such election.

After the first such election, shall have been held, thereafter the Committee shall be obligated to arrange for elections (in the manner and after notice as set forth above) for the removal and/or replacement of Committee members when so requested in writing by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment, pending an election as hereinabove provided for.

If the Committee should fail or refuse to take any action herein provided to be taken by the Committee with respect to setting elections, conducting elections, counting votes and determining results, or naming successor Committee members, and such failure or refusal continues for a period which is unreasonably long (in the exclusive judgment of the Developer) then the Developer may validly perform such function.

c. The members of the Committee shall be entitled to such compensation for services rendered and reimbursement for reasonable expenses incurred as may, from time to time, be authorized or approved by the Developer. All such sums payable as compensation and/or reimbursement shall be payable only out of the "Maintenance Fund", hereinafter referred to.

FINALITY OF ACTION AND EFFECT OF INACTION

3. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. The judgment of the Developer or the Committee in this respect shall be final and conclusive. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in compliance with the preceding provisions within thirty (30) days following such

submission, such plans and specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

EFFECT OF APPROVAL

4. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Developer or the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat or in the event that such building and/or improvements are constructed in accordance with such plans and specifications and plat, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Exercise of any such prerogative by one (1) or more members of the Committee in their capacity as such shall not constitute action by the Developer after the election of such Committee members, notwithstanding that any such Committee member may be a Director of the Developer.

III

DESIGNATION OF TYPES OF LOTS

1. All lots in the Subdivision having a common boundary with the golf course adjacent to the Subdivision are hereby designated as "Fairway Lots".

2. All lots in the Subdivision having a view of the golf course adjacent to the Subdivision are hereby designated as "Fairway View Lots".

3. All lots in the Subdivision having a view location from hill-side, hill-top or elevated position are hereby designated as "View Lots".

4. All lots in the Subdivision not having any of the

characteristics referred to in 1., 2., and 3. above are hereby designated as "Riverhill Estates Lots".

5. The Architectural Control Committee shall have the exclusive and final right and authority to classify or designate any lot in the Subdivision as being any one of the above described designations in the event of any reasonable doubt as to the classification of the lot in question.

IV

GENERAL RESTRICTIONS

1. No building shall be erected, altered or permitted to remain on any lot other than one (1) detached single-family residential dwelling not to exceed two (2) stories in height and a private garage (or other covered car parking facility) for not more than three (3) automobiles and other than bona fide servants' quarters; provided however, that the servants' quarters structure shall not exceed the main dwelling in area, height or number of stories. For purposes of this instrument, the word "lot" shall not be deemed to include any portion of the following areas shown on the recorded plat or any existing or future amendment, supplement, extension or addition thereto: the golf course; any esplanade; any unrestricted area; any cottage, apartment or condominium area.

2. The living area of the main residential structure (exclusive of porches, whether open or screened, garage or other car parking facility, terraces, driveways and servants' quarters) shall be not less than the following respective amount for each of the designated types of lots:

Fairway Lots and Fairway View Lots: 1,800 sq. ft. for a one-story dwelling; 2,200 sq. ft. for a two-story dwelling, with 1,200 sq. ft. thereof on the first floor;

View Lots and Riverhill Estates Lots: 1,600 sq. ft. for a one-story dwelling; 2,000 sq. ft. for a two-story dwelling, with 1,100 sq. ft. thereof on the first floor;

The exterior materials of the main residential structure and any attached garage (or other attached car parking facility) on all lots shall be not less than fifty-one

percent (51%) masonry. A detached garage (or other detached car parking facility) may be of wood.

3. No building shall be located on any lot nearer to the front street line or nearer to the street side line than the minimum building set-back lines as stated in Paragraph V-2 hereof, unless approval therefor is granted by the Developer or Committee in the case of unusual lot location, terrain or configuration. Subject to the provisions of Paragraph 4, no building shall be located nearer than five (5) feet to an interior side lot line. For the purpose of this covenant, eaves, steps and unroofed terraces shall be considered as a part of a building.

4. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or constructing improvements on such resulting site, in which case side set-back lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site or portion of a lot to be used as a building site must have a frontage at the building set-back line of not less than the frontage of the narrowest lot in the same block. Any such composite building site (or building site resulting from the remainder of one or more lots having been consolidated into a composite building site) must be of not less than nine thousand (9,000) square feet in area (and this shall supercede any contrary provision in the Subdivision plat). Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Developer until the Committee is selected and thereafter, only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, except, however, than for purposes of voting for the Committee (as provided under Paragraph 2.b. above), an owner shall be entitled to one (1) vote for each whole lot within such owner's building site.

5. All lots in the Subdivision shall be used only for single-family residential purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become

an annoyance or nuisance to the neighborhood. No lot in the Subdivision shall be used for any commercial, business or professional purpose nor for church purposes. The renting or leasing of any improvements thereon or portion thereof, without the prior written consent of Developer, is prohibited.

6. No house trailer, camper trailer, camper vehicle, motor vehicle (or portion thereof), or any tent, shack or other structure of a temporary character shall be lived in on any lot. No house trailer, truck, camper vehicle, tent, boat, trailer or similiar vehicle shall be parked or stored on any lot for more than twenty-four (24) hours without the express written consent of the Developer or the Committee, after its election, and then only at such locations, under such circumstances and with such cover as the Developer or the Committee shall specify.

7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commerical purposes and provided they do not constitute a nuisance and do not, in the sole judgment of the Developer constitute a danger or potential or actual disruption of other lot owners, their families or guests. All dogs, cats or other common household pets shall be kept in Riverhill Estates only upon the condition that the custodian thereof abide by all of the ordinances and regulations of the City of Kerrville, Texas, with respect to the care, control and ownership of such animals within such city, including "leash" and "vaccination" ordinances; and reference is here made to such ordinances and regulations for all purposes.

8. Where a wall, fence, planter or hedge is not specifically prohibited under the Special Restrictions set forth in V below, the following (as to any permitted wall, fence, planter or hedge) shall apply: No wall, fence, planter or hedge in excess of two (2) feet high shall be erected or maintained nearer to the front lot line than the front building set-back line, nor on corner lots nearer to the side lot line than the building set-back line parallel to the side street. No rear fence, wall or hedge and no side fence, wall or hedge located between the side building line and the interior lot line (or located on the interior lot line) shall be more

than five (5) feet high; provided, however, that no fence shall, in the sole and exclusive judgment of the Developer or the Architectural Control Committee, after its election, unduly interfere with the view from an adjoining lot.

No objects or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

9. The drying of clothes in public view is prohibited, and the owners or occupants of any lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the lots is visible to the public, shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view.

10. All lots shall be kept at all times in a sanitary, healthful and attractive condition, and the owner or occupant of all lots shall keep all weeds and grass thereon cut and shall in no event use any lot for storage of material or equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted, or permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn any garbage, trash or rubbish. Garbage cans and receptacles shall be allowed to stand adjacent to or visible from any street area only on the days and during the hours of garbage pick-up as may be specified by the Developer or the Committee from time to time. All clothes lines, yard equipment or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided, so as to conceal them from view of neighboring lots, streets or other property.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice thereof, the Developer (until the Committee is selected, and thereafter, the Committee) may, without liability to the owner or occupant in trespass or otherwise, enter upon (or authorize one or more others to enter upon) said lot, and cause to be cut, such weeds

and grass, and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful and sanitary condition, and may charge the owner or occupant of such lot for the reasonable cost of such work and associated materials. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof; however, the payment of such charge is not secured by any nature of lien on the property.

11. Before initial residential occupancy, no sign, advertisement, billboard or advertising structure of any kind may be erected or maintained on any lot in the Subdivision without the prior approval of the Developer; and any such approval which is granted by the Developer may be withdrawn at any time by the Developer, in which event, the party granted such permission shall, within the period designated by the Developer (which in no event shall be less than five (5) days), thereupon remove same. After initial residential occupancy of improvements on any particular lot in the Subdivision, no sign, advertisement, billboard or advertising structure of any kind other than a normal for-sale sign approved by the Developer as to design, not exceeding two feet by three feet (2' x 3') erected on a post in the ground, and applicable to such lot, may be erected or maintained on such lot.

The Developer until the Committee is selected, and thereafter, the Committee shall have the right to remove and dispose of any prohibited sign, advertisement, billboard or advertising structure which is placed on any lot, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal nor in any way be liable for any accounting or other claim by reason of the disposition thereof.

12. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot. No trees shall be cut or removed except to provide room for construction of improvements or to remove dead or unsightly trees.

13. No outside aerial, pole or other device shall project above the highest ridge of the house by more than fifteen (15) feet, except with approval of the Developer or the Committee.

14. No lot or other portion of Riverhill Estates shall be used or permitted for hunting or for the discharge of any pistol, rifle, shotgun, or any other firearm, or any bow and arrow or any other device capable of killing or injuring.

15. Driveways shall be entirely of concrete (except however, some other material may be used with the prior permission of the Developer) and shall be constructed with a minimum width of nine (9) feet along its entire length with expansion joints not more than twenty (20) feet apart, with one joint at the back of the street curb. The width of each driveway shall flair to a minimum of sixteen (16) feet at the curb and the curb shall be broken in such manner that the driveway may be at least four (4) inches thick at its end toward the street paving, and this extreme shall be poured against a horizontal form board to reduce the unsightly appearance of a revelling driveway.

16. Walks from the street curb to the residence shall have a minimum width of four (4) feet and shall be constructed entirely of concrete (except however, that some other material may be used with the prior consent of the Developer).

17. No outside toilets will be permitted, and no installation of any type of device for disposal of sewage shall be allowed which would result in raw or untreated or unsanitary sewage being carried into any water body. No septic tank or other means of sewage disposal may be installed unless approved by the proper governmental authorities having jurisdiction with respect thereto and the Developer.

18. With reasonable diligence, and in all events within six (6) months from the commencement of construction, unless completion is prevented by war, labor strike or an act of God, any dwelling or other structure commenced upon any lot shall be completed as to its exterior, and all temporary structures shall be removed.

19. No oil drilling, oil development operations, oil refining, or mining operations of any kind shall be permitted upon any lot, nor shall any tanks or mineral excavations be permitted upon any lot. No derrick or other structure designed for use in boring for oil, or natural gas, shall be erected, maintained or permitted on any building site. At no time shall the drilling, usage or operation of any water well be permitted on any lot. These provisions shall not prohibit directional drilling for and production of oil, gas and other minerals from under the Subdivision so long as none of the equipment or machinery for such drilling or production operations is located upon the surface of any area included in the Subdivision and one-half (1/2) of the royalty payable upon production so obtained shall be allotted and paid to the Maintenance Fund created in VI below.

V

SPECIAL RESTRICTIONS

1. In addition to the General Restrictions set forth in IV above, the following restrictions shall apply to Fairway Lots:

a. No wall, fence, planter, hedge (or other improvement or object serving a like or similar purpose) shall be constructed or permitted without the written consent of the Developer.

b. Any garage or other structure must be attached to the main residence and must not be nearer than twenty-five (25) feet to the common boundary separating such lot from the golf course without express written approval of the Developer.

2. Concerning all lots, no building shall be located on any lot nearer than twenty-five (25) feet to the front street line or twenty-five (25) feet to the side street line. All interior lot lines shall have at least a five (5) foot set back.

3. With respect to each lot covered by this Declaration, perpetual easements are hereby retained for the installation and maintenance of utilities and all necessary appurtenances thereto whether installed in the air, upon the surface or underground along and within six (6) feet of the rear, front

and side lines of all such lots and ten (10) feet along the outer boundaries of all dedicated streets. Additional easements are provided for anchoring any support cables outside said easement when deemed necessary by the utility agencies.

VI

MAINTENANCE FUND

1. Each lot (or residential building site) in the Subdivision shall be and is hereby made subject to an annual maintenance charge, except as otherwise hereinafter provided.

2. The maintenance charge referred to shall be used to create a fund to be known as the "Maintenance Fund"; and each such maintenance charge shall (except as otherwise hereinafter provided) be paid by the owner of each lot (or residential building site) annually, in advance, on or before January 1st of each year, beginning 1972.

3. The exact amount of each maintenance charge will be determined by the Developer during the month preceding the due date of said maintenance charge. All other matters relating to the assessment, collection, expenditure and administration of the Maintenance Fund shall be determined by the Developer.

In addition to the maintenance charge herein referred to, each building site shall be subject to a monthly charge of \$.50 for street lighting services; such charge may be included in the monthly bill from Lower Colorado River Authority to such lot owner and shall be in addition to all other charges which such lot owner may incur for electric service.

4. The maintenance charge shall not, without the consent of the Developer, apply to lots owned by the Developer or owned by any person, firm, association or corporation engaged primarily in the building and construction business which has acquired title to any such lots for the sole purpose of constructing improvements thereon and thereafter selling such lots; however, upon any such sale of such lots by such person, firm, association or corporation to a purchaser whose primary purpose is to occupy and/or rent and/or lease such lot (and improvements

thereon, if any) to some other occupant, then the maintenance charge shall thereupon be applicable to such lot; and the Developer hereby consents to the applicability of the maintenance charge to each such lot under the circumstances herein stated. Any transfer of title to any lot by any such person, firm, association or corporation engaged primarily in the building and construction business to a transferee engaged primarily in the building and construction business shall not result in the applicability of the maintenance charge to such lot owned by the transferee or any succeeding transferee primarily engaged in the building and construction business without the consent of the Developer. The Developer reserves the right at all times in its own judgment and discretion, to exempt any lot in the Subdivision from the maintenance charge, and exercise of such judgment and discretion when made in good faith shall be binding and conclusive on all persons and interests. The Developer shall have the further right at any time, and from time to time, to adjust, alter or waive said maintenance charge from year to year as it deems proper; and Developer shall have the right at any time to discontinue or abandon such maintenance charge, without incurring liability to any person whomsoever by filing a written instrument in the office of the County Clerk of Kerr County, Texas, declaring any such discontinuance or abandonment.

5. The maintenance charges collected shall be paid into the Maintenance Fund to be held and used for the benefit, directly or indirectly, of the Subdivision; and such Maintenance Fund may be expended by the Developer for any purposes which in the judgment of the Developer will tend to maintain the property values in the Subdivision, including, but not by way of limitation, providing for the enforcement of the provisions of this instrument, including the aforesaid Reservations, Restrictions, Covenants, Conditions and Easements; reasonable compensation and reimbursement to the Developer and members of the Committee with respect to services performed by such Developer and Committee members incident to their duties hereunder; for the maintenance, operation, repair, benefit and welfare of any recreational facilities which might hereafter be established in Riverhill Estates; and generally for doing any other thing necessary or desirable in the opinion of the Developer to maintain or improve the property or the Subdivision. The use of the Maintenance Fund for any of

VOL. 77, PAGE 781

these purposes is permissive and not mandatory, and the decision of the Developer with respect thereto shall be final, so long as made in good faith.

6. In order to secure the payment of the maintenance charge hereby levied, a vendor's lien shall be and is hereby reserved in the Deed from the Developer to the purchaser of each lot or portion thereof, which lien shall be enforceable through appropriate judicial proceedings by the Developer. Any such temporary structure shall be promptly removed upon completion of the construction to which it relates.

(b) Prosecution of Construction, Maintenance and Repairs. All construction, maintenance and repair work shall be prosecuted diligently from commencement until completed.

(c) Maintenance. No Dwelling Unit shall be permitted to fall into disrepair and each such building and structure shall at all times be kept in good condition and repair, adequately painted or otherwise finished.

Any such exemptions shall be granted only upon specific written request, itemizing the exemption requested, the location thereof, the need therefor and the anticipated duration thereof; and any authorization and approval thereof shall be similarly itemized. No such exemption shall be broader in terms of activity, location or time than is reasonably required.

Section 4: Construction of Covenants. Nothing herein stated shall be construed as preventing an Owner from combining two or more adjacent and contiguous lots and building thereon a Dwelling Unit.

Section 5: Right-of-Way. The Declarant or its agent with three (3) days prior written notice to the Owner shall have the right to enter upon and inspect any Lot or Dwelling Unit for the purpose of ascertaining whether or not the provisions of these Covenants have been or are being complied with and Declarant shall not be deemed guilty of trespass by reason of such entry provided such entry be made during reasonable hours of the daytime.

ARTICLE IV

IMPROPER MAINTENANCE BY OWNER

In the event any portion of a Lot or Dwelling Unit thereon is in Declarant's judgment so maintained by the Owner as to not comply with these Covenants or present a public or private nuisance or as to substantially detract from the appearance or quality of the neighboring Lots or Dwelling Units or other areas of the Property which are substantially affected thereby or related thereto, the Declarant may by resolution make a finding to this effect, specifying the particular condition or conditions which exist, and pursuant thereto deliver notice thereof to the offending Owner that unless corrective action is taken within ten (10) days, the Declarant will cause such action to be taken at such Owner's cost. If at the expiration of said ten (10) day period of time the requisite corrective action has not been taken, the Declarant shall be authorized and empowered to cause such action to be taken and the cost (the "Maintenance Cost") thereof shall be assessed against the Lot and Dwelling Unit of the offending Owner and shall be secured by the Maintenance Lien herein-after provided. Written notice of such assessment shall be delivered to the offending Owner which notice shall specify the amount of such Maintenance Cost and shall demand payment thereof within thirty (30) days after the date of said notice.

ARTICLE V

IMPOSITION OF LIEN; OWNER'S AGREEMENT

Section 1: Imposition of Maintenance Lien. Declarant shall have the right at any time there is unpaid Maintenance Cost outstanding with respect to a Lot to file of record with the County Clerk of Kerr County, Texas, a written statement describing such Lot and/or the Dwelling Unit thereon and declaring the amount of unpaid Maintenance Cost relating thereto in which event, upon such filing there shall automatically be imposed upon such Lot and the Dwelling Unit thereon a lien (the "Maintenance Lien") in favor of Declarant for the amount of such unpaid Maintenance Cost. Upon payment of all Maintenance Cost relating to any such Lot, Declarant shall file of record with the County Clerk of Kerr County, Texas, an appropriate release of any Maintenance Lien previously filed against the Lot and the Dwelling Unit thereon for such Maintenance Cost. The Maintenance Lien shall be for the sole benefit of Declarant and its successors and assigns.

Section 2: Owner's Promises Regarding Maintenance Costs and Maintenance Lien. Each Owner, for himself, his heirs, executors, administrators, trustees, personal representatives, successors and assigns, covenants and agrees:

- (a) That he will pay to the Declarant within thirty (30) days after the date of written notice thereof any Maintenance Cost assessed by the Declarant against his Lot and the Dwelling Unit thereon;

(b) That by accepting a Deed to his Lot, he shall be, and remain, personally liable for any and all Maintenance Cost assessed against his Lot and the Dwelling Unit thereon while he is (or was) the Owner thereof, regardless of whether such covenants or agreements are expressed in such Deed and regardless of whether he signed the Deed.

ARTICLE VI

RIGHTS AND POWERS

Section 1: Declarant as Enforcing Body. The Declarant, as the agent and representative of the Owners, shall have the exclusive right to enforce the provisions of this Declaration. However, if the Declarant shall fail or refuse to enforce this Declaration for an unreasonable period of time, after written request to do so, then any Owner may enforce this Declaration on behalf of the Declarant by any appropriate action, whether in law or in equity.

Section 2: Declarant's Remedies to Enforce Payment of Maintenance Cost. If the Owner of any Lot fails to pay the Maintenance Cost when due, the Declarant may enforce the payment of the Maintenance Cost and/or the Maintenance Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Declarant does not prejudice or waive its right to exercise the other remedy):

(a) Bring an action at law and recover judgment against the Owner personally obligated to pay Maintenance Cost;

(b) Foreclose the Maintenance Lien against the Lot and the Dwelling Unit thereon in accordance with the then prevailing Texas law relating to the foreclosure of realty mortgages and liens (including the right to recover any deficiency).

Sale or transfer of any Lot shall not affect the Maintenance Lien, provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or deed of trust, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot and any Dwelling Unit located thereon free of the Maintenance Lien for all Maintenance Cost that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure.

Section 3: Costs to be Borne by Owner in Connection with Enforcement of Payment of Maintenance Cost. In any action taken pursuant to Section 2 of this Article, the Owner shall be personally liable for, and the Maintenance Lien shall be deemed to secure the amount of, the Maintenance Cost together with interest thereon at the rate of eight percent (8%) per annum, the Declarant's cost and attorney's fees.

Section 4: Contracts with Others for Performance of Declarant's Duties. Subject to the restrictions and limitations contained herein, the Declarant may enter into contracts and transactions with others, including its subsidiaries and affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more partners (limited or general) in Declarant and/or one or more directors of

the general partner of Declarant is employed by or otherwise connected with Declarant, its subsidiaries and affiliates, provided that the fact of such interest shall be disclosed or known to the other partners and/or directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable; and any such partner and/or director may be counted in determining the existence of a quorum at any meeting which shall authorize any such contract or transaction, and may vote thereat to authorize any such contract or transaction with like force and effect as if he were not so interested.

ARTICLE VII

ARCHITECTURAL CONTROL

No building, fence, wall, sign, exterior light or other structure or other apparatus, either permanent or temporary, shall be commenced, erected, placed or maintained upon the Property (or any Lot constituting a part thereof), nor shall any exterior addition thereto, change therein or alteration, excavation, subdivision or resubdivision thereof, including without limitation changes in or alterations of grade, landscaping, roadways and walkways, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location and other material attributes of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by Declarant or by an architectural committee composed of three (3) or more representatives appointed by Declarant. In the event Declarant, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VIII

PARTY WALLS

Section 1: General Rules of Law to Apply. Each wall which is built as a part of the original construction of a Dwelling Unit upon the Property and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2: Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3: Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under rule of law regarding liability for negligence or willful acts or omissions.

Section 4: Weather Proofing. Notwithstanding any other provision of this Article, an Owner who by his negligence or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5: Right to Contribution Runs with the Land. The right of any Owner to contributions from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6: Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, then, upon written request by one of such Owners, addressed to the Declarant, the matter shall be submitted to the Declarant who shall decide the dispute, and the decision of the Declarant shall be final and conclusive on the parties.

ARTICLE IX

INSURANCE

Section 1: Fire Insurance - Dwelling Unit Improvements on Lots. Each Owner shall purchase at his expense and maintain fire and hazard insurance coverage with respect to the Dwelling Unit on his Lot. Any such insurance shall be for the highest insurable value of such Dwelling Unit and shall contain a replacement cost endorsement. Such insurance shall contain a loss payable endorsement in favor of the Trustee hereinafter described. Upon the request of Declarant, each Owner shall furnish to Declarant, immediately, evidence of such insurability.

Section 2: Trustee. All available insurance proceeds, payable under insurance policies described in Section 1 hereof, and subject to the rights of the mortgagees under Section 3 hereof, shall be paid to the Trustee, to be held and expended for the benefit of the Owners, mortgagees, and others as their respective interest shall appear. Said trustee shall be a commercial bank, savings and loan association, title company or other entity in Kerr County, Texas, designated by Declarant which, at the request of Declarant, has agreed in writing to accept such trust. In the event repair or reconstruction is authorized, the Declarant shall have the duty to contract for such work as provided for herein.

Section 3: Mortgagee's Rights. With respect to insurance coverage under Section 1 of this Article, any mortgagee of record shall have the option to apply insurance proceeds payable to it in reduction of the obligations secured by its mortgage. For purposes hereof a "mortgagee" shall mean a person or entity to whom a mortgage is made or who is the beneficiary of a deed of trust. For purposes hereof, "available insurance proceeds" shall mean the net insurance proceeds to be paid to the Owner or the Trustee after the mortgagee has made his election hereunder.

Section 4: Owner's Additional Insurance. An Owner may carry such additional personal liability and property damage insurance respecting his individual Dwelling Unit as he may desire.

Section 5: Damage and Destruction; Reconstruction. If any Dwelling Unit is damaged by fire or other casualty

the Owner of such Dwelling Unit shall immediately take all actions consistent herewith to rebuild such Dwelling Unit (with available insurance proceeds, if available, or at his own cost) pursuant to the original plans and specifications for such Dwelling Unit. If said damage is limited to a single Lot or Dwelling Unit, all available insurance proceeds shall be paid by the Trustee to the Owner of such Lot or Dwelling Unit and the Owner shall use the same to rebuild or repair such Dwelling Unit in accordance with the original plans and specifications therefor. If such damage extends to two or more Lots or Dwelling Units, then:

(a) Reconstruction or Repair by Declarant.

If the available insurance proceeds initially offered or paid by the insurer do not exceed the sum of Ten Thousand and no/100 Dollars (\$10,000.00) and the cost of repairing or rebuilding does not exceed the amount of available insurance proceeds by more than One Thousand and no/100 Dollars (\$1,000.00), such insurance proceeds shall be paid to the Trustee hereinbefore designated in Section 2 hereof. The Declarant shall thereupon contract to repair or rebuild the damaged portions of the Dwelling Units in accordance with the original plans and specifications therefor and the funds held in the insurance trust fund shall be used for this purpose. If the available insurance proceeds are insufficient to pay all the cost of repairing or rebuilding, the Declarant in order to make up any deficiency shall levy a special assessment on all Owners of the Dwelling Units so damaged and their Dwelling Units on a pro rata basis determined in accordance with the amount of damage done to each of the Dwelling Units (which determination shall be made by Declarant in its sole discretion);

(b) Other Situations. If subparagraph (a) is inapplicable, then:

(1) Payment to Trustees. All available insurance proceeds shall be paid to the Trustee designated by the Declarant to be held for the benefit of the Owners of the damaged Dwelling Units as their respective interests may appear. The Declarant is authorized to enter on behalf of such Owners into a construction agreement, consistent with these restrictions, with such Trustee and a contractor relating to the rebuilding of such damaged Dwelling Units, all in accordance with the following procedure;

(2) Procedure. The Declarant shall obtain firm bids (including the right but not the obligation to obtain payment and performance bonds) from three (3) or more responsible contractors to rebuild the damaged Dwelling Units in accordance with their original plans and specifications and shall, as soon as possible thereafter, call a special meeting of the Owners of such damaged Dwelling Units to consider such bids. Each such bid shall be itemized so that the total cost in rebuilding the damaged Dwelling Unit of each Owner will be set forth separately. At the meeting, the Owners shall accept the lowest bid as to

rebuilding all of the damaged Dwelling Units unless by 100% vote, such Owners elect to accept a higher bid for such work. Upon acceptance of such bid, if the available insurance proceeds are insufficient to pay all the cost of repairing or rebuilding, the Declarant in order to make up any deficiency shall levy a special assessment on all Owners of the Dwelling Units so damaged and their Dwelling Units on a pro rata basis determined in accordance with the amount of damage done to each of the Dwelling Units (which determination shall be made by Declarant in its sole discretion).

If any Owner shall fail to pay any special assessment made pursuant to subparagraphs 1 or 2 of this Section 5(b) within thirty (30) days after the levy thereof, the Declarant may make up the deficiency by payment thereof; but said deficiency shall be replenished from the Owner of the damaged Dwelling Unit whether the said improvement is or is not so reconstructed. Any such deficiency shall be deemed a Maintenance Cost with respect to the Lot involved secured by the Maintenance Lien described in Article V hereof. Upon payment by such Owners or by the Declarant for the benefit of such Owners (as provided herein), the Declarant shall let the contract to the successful bidder.

ARTICLE X

RESTRICTIONS, RE: RIVERHILL CLUB AND ESTATES, LTD.**

STATE OF TEXAS

COUNTY OF KERR

) 752319

Before me, the undersigned authority, a Notary Public in and for Kerr County, Texas, on this day personally appeared Pat Tinley, known to me to be a credible person of lawful age and qualified in all respects to make this Affidavit, who being by me here and now duly sworn, upon oath said:

That on the 27th day of May, 1975, he caused a Declaration of Covenants, Conditions and Restrictions to be recorded in the office of the County Clerk of Kerr County, Texas, said Declaration of Covenants, Conditions and Restrictions having been made and executed on the 27th day of May, 1975, by Riverhill Club & Estates Ltd., the same having been filed under clerk's file number 751884 and recorded in Volume 179, Page 822, Deed Records of Kerr County, Texas; and

Prior to the recording of such Declaration of Covenant, Conditions and Restrictions, he filled in three blanks in Section 9 of Article XIII of such Declaration of Covenants, Conditions and Restrictions, such Section 9 appearing at Volume 179, Page 836, Deed Records of Kerr County, Texas, thereby causing that portion of Section 9 containing the blanks to read "on the 27th day of May, 1974";

That he incorrectly inserted the year 1974 in one of such blanks instead of the year 1975, and that portion of subsection 9 containing such blanks should have been filled in to read "on the 27th day of May, 1975", and this Affidavit is made for the purpose of ratifying and confirming the fact that the year stated should have been the year 1975.
