Whenever in this Declaration or in any Supplemental Declaration the approval of the Architectural Control Committee is required, it shall have the right to consider all of the Plans and Specifications for the Improvements or proposal in question and all other facts which, in its sole discretion, are relevant. Except as provided in Sections 4 p) and 4 q) below, prior to commencement of any construction of any Improvements on the Property or any portion thereof, the Plans and Specifications thereof shall be submitted to the Architectural Control Committee, and construction thereof may not commence unless and until the Committee has approved such Plans and Specifications in writing. The Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and in determining whether such Plans and Specifications shall be approved, the Architectural Control Committee may take into consideration factors deemed appropriate by the Board. Such factors may include without limitation the following: (i) compliance with this Declaration; (ii) quality of the building materials or Improvements; (iii) harmony of external design of such Improvements with existing and proposed Improvements and with the design or overall character and aesthetics of the Improvements within the Property; (iv) location of such Improvements within the Lot on which it will be constructed or placed; (v) the number of square feet to be contained in such Improvements; and (vi) compliance with laws, ordinances, rules or regulations of any county, state, municipal or other governmental authority. If a variance is granted, no violation of the covenants, conditions or restrictions contained in this Declaration, any Supplemental Declaration or any of the provisions of the architectural guidelines shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or of any Supplemental Declaration or the architectural guidelines for any purpose except as to the particular property and in the particular instance covered by the variance.

l) Guidelines for Building at The Summit Phase III and Phase IV: The Architectural Control Committee may promulgate a set of guidelines not in conflict with this Declaration and any Supplemental Declarations for building and developing within the Property which shall be amended from time to time and at any time by the Committee. The certificate shall not be construed to certify the acceptability, sufficiency or approval by the Architectural Control Committee of the actual construction of the Improvements or of the workmanship or materials thereof. The Owner is hereby notified that the certificate in no way warrants the sufficiency, acceptability or approval by the Architectural Control Committee of

the construction, workmanship, materials or equipment of the Improvements. Preparation and recordation of such a certificate shall be at the expense of the Owner of the improved Lot.

p) **Construction Activities:** This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction activities during the construction of Improvements by an Owner (including Developer) upon any portion of the Property. Thereafter, Developer shall be entitled only to its votes under the Class A and B memberships; provided; however, that if Developer loses its additional votes under this subparagraph, Developer may thereafter regain such votes by the addition of new land to the Property as herein provided, if such addition of land lowers the percentage of votes owned by persons other than Developer to less than 80% of the total number of votes under the Class A and B memberships. This paragraph 28 (1) cc) may not be amended without Developer's express approval.

(2) Joint or Common Ownership: Any property interest entitling the owner thereof to vote as herein provided, held jointly or in common by more than one person shall require that the owner thereof designate, in writing, the person who shall be entitled to cast such vote and no other person shall be authorized to vote on behalf of such property interest. A copy of such written designation shall be filed with the Board before any such vote may be cast, and upon the failure of the owner thereof to file such designation, such votes shall neither be cast nor counted for any purpose whatsoever.

(3) Proxy Voting: Any Owner, including Developer, may give a revocable written proxy to any person authorizing such person to cast the Owner's votes on any matter. Such written proxy shall be in such form as may be prescribed by the Bylaws, but no such proxy shall be valid for a period of greater than eleven months.

(4) Cumulative Voting: Cumulative voting shall not be allowed.

(5) Vote Casting: The person holding legal title to the property shall be entitled to cast the vote allocated to such property and not the person merely holding beneficial title to the same unless such right is expressly delegated to the beneficial owner thereof in writing.

d) Meetings: There shall be an annual meeting of the Members of the Association at such reasonable place and time as may be designated in the Bylaws. No notice need be given of any annual meeting held at the time and place specified in the Bylaws, but the Board shall have the power to designate a different time and place of any annual meeting, and in such case, written notice of the meeting shall be delivered not less than ten nor more than fifty days prior to the date fixed for said meeting, to all Members. All notices of meetings shall be addressed to each Member as his address appears on the books of the Association.

(1) Quorum: The presence at any meeting, in person or by proxy, of Members entitled to vote at least a majority of the total votes outstanding shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Members present, either in person or by proxy, may adjourn the meeting to a time not less than 48 hours nor more than 30 days from the time set for the original meeting, at which adjourned meeting the quorum requirement shall be waived. Action may be taken by a vote of a majority of the votes present at such adjourned meeting.

(2) Presiding Officer: The President, or in his absence the Vice-President, shall call meetings of Members to order and act as chairman of such meetings. In the absence of both officers, any Member entitled to vote or any proxy of any such Member may call the meeting to order, and a chairman of the meeting shall be elected.

(3) Vote Necessary: Except as provided otherwise in this Declaration, any action may be taken at any legally convened meeting of the Members upon the affirmative vote of the Members having a majority of the total votes present at such meeting in person or by proxy.

(4) Bylaws: The Board may adopt Bylaws and such other rules and regulations as it deems appropriate to govern the Association and its procedures, including but not limited to the procedures for calling special meetings.

e) Duties of the Association: Subject to and in accordance with these restrictions, the Association acting through the Board shall have and perform each of the following duties:

(1) Association Property:

aa) Ownership and Control: To accept, own, operate and maintain all Common Area which may be conveyed or leased to it by Developer, together with all Improvements of whatever kind and whatever purpose which may be located in said areas and subject to any restrictions or encumbrances of record, including but not limited to the rights of any utility provider to spray treated affluent thereon; and to accept, own, operate and maintain all other property, real and personal, conveyed or leased to the Association by Developer.

bb) Repair and Maintenance: To maintain in good repair and condition all Association Property.

cc) Taxes: To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to any Association Property, to the extent that such taxes and assessments are not levied directly upon the Members. The Association shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.

(2) Maintenance Obligation: To operate, maintain, repair, replace, landscape and improve, as appropriate, all of the following described facilities constructed within the Property: (i) all streets and roadways within the Property which have been completed but not accepted for maintenance by the appropriate governmental entity; (ii) all stormwater detention, retention and filtration systems (to the extent that such facilities are not operated and maintained by the City of Kerrville, Texas); (iii) all entrances, median strips, roadway islands or other non-paved areas within any Common Area; and (iv) all street lights and other lighting facilities within any Common Area or any dedicated rights-of-way, including without limitation, all electrical and maintenance expenses incurred in connection with said lighting facilities.

(3) Insurance: To obtain and maintain in effect policies of insurance adequate, in the opinion of the Board, in kind and amount to carry out the Association functions.

(4) Records: To keep books and records of the Association's affairs.

(5) Other: To carry out and enforce all duties of the Association set forth in this Declaration.

f) Powers and Authority of the Association: The Association shall have the powers of a Texas non-profit corporation, subject only to such limitations upon the exercise of such power as are expressly set forth in this Declaration. It shall further have the power to do and perform any and all acts which may be necessary or proper for or incidental to the exercise of any of the express powers granted to it by the laws of Texas or

by this Declaration. Without in any way limiting the generality of the two preceding sentences, the Association shall have the power and authority at all times as follows:

(1) Assessments: To levy assessments as provided in Paragraph 30 below. An assessment is defined as that sum which must be levied in the manner and against the property set forth in Paragraph 30 hereof in order to raise the total amount for which the levy in question is being made.

(2) Right of Entry and Enforcement: To enter at any time in an emergency or in a non-emergency after 24 hours written notice, without being liable to any Owner, upon any portion of a Property or into any Improvements thereon, or onto any Common Area for the purpose of enforcing this Declaration or for the purpose of maintaining or repairing any area herein established, at the expense of the Owner thereof, if, for any reason whatsoever, the Owner thereof fails to maintain or repair any such area as required by this Declaration. The Association shall also have the power and authority from time to time in its own name and on its own behalf, or in the name and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain or enjoin, any breach or threatened breach of this Declaration.

(3) Rules and Bylaws: To make, establish and promulgate, and in its discretion to amend or repeal and re-enact such Rules and Bylaws of The Summit Phase III and Phase IV as it deems proper, covering any and all aspects of its functions, including the use and occupancy of Association Property, provided only that such Rules and Bylaws are not in conflict within this Declaration. Without limiting the generality of the foregoing, such Summit rules may set dues and fees and prescribe the regulations governing the operation of Association Property. Such Summit rules may also prescribe regulations governing the use of the Common area owned by the Association and establish charges for the use of such Common Area by Owners of non-Owners. Each Member shall be entitled to examine such rules and Bylaws of The Summit Phase III and Phase IV at any time during normal working hours at the principal office of the Association.

(4) Financing: To execute mortgages, both construction and permanent, for the construction of facilities, including Improvements on property owned by or leased to the Association, and to accept lands in the Common area whether or not improved, from Developer subject to mortgages or by assuming mortgages. Financing may be effected through conventional mortgages or deeds of trust, the issuance and sale of development or other bonds, or in any other form or manner as may be deemed appropriate by the borrower, whether Developer or the Association. The mortgage or other security interest given to secure repayment

of any debt may consist of a first, second or other junior lien as shall be deemed appropriate by borrower, whether Developer or the Association on the Improvements or other facility to be constructed, together with such underlying and surrounding lands as the borrower deems appropriate. The debt secured by such mortgage or other security instrument may be retired from and secured by the revenues generated by dues, use fees, assessment of the Members of the Association, or otherwise, or any combination thereof, as may be deemed appropriate by Developer or the Association, as the case may be, but subject to the limitations imposed by this Declaration.

(5) Conveyances: To grant and convey to any person or entity the real property and/or other interest therein, including fee title, leasehold estates, easements, rights-of-way, or mortgages out of, in, on, over, or under any Association property, subject however, to all limitations, restrictions and conditions thereon, including all those set forth herein, for the purpose of constructing, erecting, operating or maintaining thereon, therein or thereunder:

aa) Parks, parkways, campgrounds or other recreational facilities or structures;

bb) Roads, streets, walks, driveways, trails and paths;

cc) Lines, cables, wires, conduits, pipelines or other devices for utility purposes;

dd) Sewers, water systems, storm water drainage systems, sprinkler systems, and pipelines; and

ee) Any similar public, quasi-public or private Improvements or facilities.

Nothing above contained however shall be construed to permit use of occupancy of any Improvements or other facility in a way which would violate applicable use and occupancy restrictions imposed thereon by other provisions of this Declaration.

(6) Manager: To retain and pay for the services of a Manager to manage and operate the Association, including the Association Property, to the extent deemed advisable by the Board. Additional personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by law, the Association and the Board may delegate any other duties, power and functions to the Manager or such other person or entity as they deem fit. The Owners hereby release the Association and the members of the Board from liability for any omission or improper exercise by the Manager of any such duty, power or function so delegated.

(7) Legal and Accounting Services: To retain and pay for legal and accounting services necessary or proper in the operation of the Association, the operation and management of the Association Property, the enforcement of the Restrictions Covenants and Conditions of The Summit Phase III and The Summit Phase IV or in the performance of any other duty, right, power or authority of the Association.

(8) Association Property Services: To pay for water, sewer, garbage removal, landscaping, gardening, and all other utilities, services and maintenance for the Association Property.

(9) Other Areas: To maintain and repair easements, roads, roadways, rights-of-way, parks, parkways, median strips, sidewalks, paths, trails, ponds, lakes and other areas of the Property, as appropriate.

(10) Recreational Facilities: To own and operate any and all types of facilities for both active and passive recreation. The Association, with the consent of Developer, may open the Common Area for use by non-Owners and may levy charges in such amounts as may be deemed reasonable by the Association for the use of the Common Area by either Owners or non-Owners.

(11) Other Services and Properties: To obtain and pay for any other property and services, and to pay any other taxes or assessments which the Association or the Board is required to secure or to pay for pursuant to applicable law or the terms of the Restrictions, Covenants and Conditions of The Summit Phase III and The Summit Phase IV.

(12) Construction on Association Property: To construct new Improvements or additions to the Association Property.

(13) Collection for Subassociation: To levy and collect on behalf of and for the account of any Subassociation any assessment made by a Subassociation created in conformance with the requirements of this Declaration.

(14) Contracts: To enter into contracts with Developer and with Subassociations, Major Developers, and other Persons on such terms and provisions as the Board shall determine, to operate and maintain any Common Area, or to provide any service or perform any function on behalf of Developer, Subassociation, Major Developer or other person.

(15) Permit and Licenses: To obtain and hold any and all types of permits and licenses, and to operate restaurants and club facilities, if applicable.

(16) Own Property: To acquire and own and to dispose of all manner of real and personal property, whether by grant, lease, gift, or otherwise, subject however to all limitations, restrictions and conditions thereon, including all those set forth herein.

(17) Create Another Association: To create a subsidiary or other association to have the rights and powers and to perform the duties, obligations, or functions necessary to the obtaining of a tax exemption, if it shall ever be ruled or held that an exemption under the Internal Revenue Code is unavailable to the Association under this Declaration; or alternatively, the Association may retain the rights, powers, duties, obligations or functions which prevent the obtaining of the tax exemption and transfer some or all of its other rights, powers, duties, obligations and functions to such subsidiary or other association.

g) Indemnification:

(1) Determination by Board: The Association shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative by reason of the fact that he is or was a director, officer, committee member, employee, servant or agent of the Association against expenses (including attorney's fees, judgments, fines and amounts paid in settlement) actually and reasonably incurred by him in connection with such action, suit or proceeding if it is found and determined by the Board or a Court that he (i) acted in good faith and in a manner he reasonably believe to be in, or not opposed to, the best interests of the Association, or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of Nolo Contendere or its equivalents, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in, or not opposed to, the best interest of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(2) Insurance: The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant or agent of the Association, against any liability asserted against him or incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability hereunder or otherwise.

29. Association Property:

a) Use: Each Owner, the members of his family who reside with him and each lessee of any portion of the Property and the members of his family who reside with him within the Property shall be entitled to use the Association Property subject to:

(1) the provisions of the Restrictions, Covenants and Conditions of The Summit Phase III and The Summit Phase IV and each person who uses any Association Property, in using same, shall be deemed to have agreed to comply therewith;

(2) the right of the Association to charge reasonable dues and use fees;

(3) the right of the Association to suspend the rights to the use of any Association Property by any Member or lessee and their respective families, guests and invitees for any period during which any Assessment against the Member's property remains past due and unpaid; and, after notice and hearing by the Board, the right of the Association to invoke any remedy set forth herein for any other infraction;

(4) the right of the Association, upon demand to require that a security deposit be made and kept with the Association to secure all sums, and to guarantee performance of all duties, due and owing or to become due and owing to the Association;

(5) such rights to use Association Property as may have been granted to others by the Association or prior owners of the Association Property; and

(6) such covenants, conditions and restrictions as may have been imposed by the Association or prior owners of the Association Property.

b) Damages: Each Member and lessee described above shall be liable to the Association for any damage to Association Property which may be sustained by reason of the negligent or intentional misconduct of such person or of his family, guests or invitees. If the property, the ownership or leasing of which entitles the Owner or lessee thereof to use Association Property, is owned or leased jointly or in common, the liability of all such joint or common Owners or lessees shall be joint and several. The amount of such damage may be assessed against such person's real and personal property on or within the Property, including that leasehold estate of any lessee or the lessor of such lessee, and may be collected as provided in Paragraph 30 below for the collection of Assessments.

c) Damage and Destruction: In case of destruction of or damage to Association Property by fire or other casualty, the available insurance proceeds shall be paid to the Association,

which may contract to repair or rebuild the Association Property so damaged. Should the insurance proceeds be insufficient to pay all of the costs of repairing or rebuilding the damage, the Association may levy a special assessment to make good any deficiency. If the Board determines not to rebuild any property so destroyed or damaged or to build facilities substantially different from those which were destroyed or damaged, it shall call a special meeting of the Members to consider such decision. If the Members by 3/4 of the votes cast at such meeting elect to ratify such decision, the Board shall act accordingly; but if the Members do not by such percentage elect to ratify such decision, the Board shall proceed to repair or rebuild the damaged or destroyed facility with payment therefor to be made as set forth in this section.

30. Funds and Assessments:

a) Assessments:

(1) The Association may levy from time to time an assessment against each Owner for a sum equal to a percentage of or a dollar amount associated with each \$1,000.00 of assessed value of that portion of the Property (land and Improvements) owned by such Owner as assessed by Kerr County, Texas for ad valorem tax purposes for the preceding year.

(2) Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose, in proportion to the amount of the Assessment year or other period remaining after said date.

(3) Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the property against which the assessment fell due, and shall become a vendor's lien against each such Lot and all Improvements thereon. The Association may enforce payment of such assessments in accordance with the provisions of this paragraph.

b) Maintenance Fund: The Board shall establish a fund (the "Maintenance Fund") into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this declaration. The funds of the Association must be used solely for purposes related to the areas and Improvements owned by or leased to the Association, or subject to these restrictions for maintenance or operation by the Association or otherwise for purposes authorized by this Declaration, as it may from time to time be amended. Nothing contained herein shall limit, preclude or impair the establishment of other maintenance funds by a Subassociation pursuant to any Supplemental Declaration.

c) Regular Annual Assessments: Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under the Restrictions, Covenants and Conditions of The Summit Phase III and The Summit Phase IV, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Except in the case of specific area assessments provided for herein, uniform and equal assessments (i.e., assessments based on uniform and equal percentages of tax valuation or uniform and equal dollar charges per \$1,000.00 of tax valuation) sufficient to pay such estimated net expenses shall then be levied against all Owners as herein provided. If the sums collected prove inadequate for any reason, including nonpayment of any individual assessment, the association may at any time and from time to time levy further assessments in the same manner as aforesaid. All such regular assessments shall be due and payable to the Association during the fiscal year in equal monthly installments on or before the first day of each month or in such other manner as the board may designate in its sole and absolute discretion.

d) Special Assessments: In addition to the regular annual assessments provided for above in paragraph 30(c), the Board may levy special assessments whenever in the Board's opinion such special assessments are necessary to enable the Board to carry out the mandatory functions of the Association under the Restrictions, Covenants and Conditions of The Summit Phase III and Phase IV and whenever in the Board's opinion, special assessments are necessary to enable the Board to carry out the optional functions of the Association under the Restrictions, Covenants and Conditions of The Summit Phase III and Phase IV.

e) Assessment Benefitting Special Areas: The Association shall also have authority to levy Special Assessments against specific local areas and Improvements to be expended for the benefit of the properties so assessed. The assessments levied under this Section shall be levied in proportion to the benefits conferred or to be conferred as determined by the Board and therefore the amount levied against each parcel of land or Improvements need not be equal. Any such assessments shall constitute a lien on the properties so assessed and such liens shall be enforced in the same manner and to the same extent as provided for regular and special assessments in this paragraph.

f) Subassociation Assessments: The Association shall have the authority to levy and collect assessments on behalf of any Subassociation created pursuant to the Declaration. No Subassociation shall have the authority to levy and collect assessments independently of the Association without the prior written consent of the Association acting through the Board. All assessments levied by the Association on behalf of any Subassociation shall be tendered by the Association to the

Subassociation within a reasonable time; provided; however, that the Association shall be allowed to retain out of such funds a reasonable collection fee. The assessments levied by the Association on behalf of any Subassociation shall constitute a lien on the properties assessed and such liens shall be enforced in the same manner and to the same extent as provided for regular and special assessments in this section.

g) Late Charges: If any assessment, whether regular or special is not paid within 15 days after it is due, the Owner may be required by the Board to pay a late charge at such rate as the Board may designate from time to time; provided however such charge shall never exceed the maximum charge permitted under applicable law.

h) Unpaid Assessments as Liens: The amount of any delinquent assessment, whether regular, special or for the benefit of a specific area or a subassociation, assessed against any property and any late payment charge attributable thereto, plus interest on such assessment and late payment charge at a rate of eighteen (18%) percent per annum simple interest (not to exceed the maximum charge permitted under applicable law) and the costs of collecting the same, including reasonable attorney's fees, shall be the personal obligation of the Owner of the property against which the assessment fell due and shall be a lien upon such property, including any Lot and the Improvements thereon and any condominium unit. A certificate executed and acknowledged by any member of the Board stating the indebtedness secured by such lien shall be conclusive upon the Association as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request at a reasonable fee.

i) Mortgage Protection: Notwithstanding any other provision of the Restrictions, Covenants and Conditions of the Summit Phase III and Phase IV, no lien created under this Section 30 or under any other section of this Declaration, nor any lien arising by reason of any breach of the Restrictions, Covenants and Conditions of The Summit Phase III and Phase IV nor the enforcement of any provision of this Declaration or of any Supplemental Declaration shall defeat or render invalid the rights of the beneficiary under any recorded mortgage of first and senior priority now or hereafter given upon a Lot or condominium unit, made in faith and for value. However, after the foreclosure of any such first mortgage or after conveyance in lieu of foreclosure, such Lot or condominium unit shall remain subject to the Restrictions, Covenants and Conditions of The Summit Phase III and Phase IV and shall be liable for all regular and special assessments levied prior to completion of such foreclosure or delivery of such conveyance whether falling due before or after such completion or such delivery.

j) Effect of Amendments on Mortgages: Notwithstanding the provision of Section 31 (d) below, no amendment of this Declaration shall affect the rights of any Beneficiary whose mortgage has the first and senior priority as in Section 30 i), provided and who does not join in the execution thereof, provided that such mortgage is recorded in the Real Property Records of Kerr County, Texas prior to the recordation of such amendment; provided however that after foreclosure, or conveyance in lieu of foreclosure the property which was subject to such mortgage or deed of trust shall be subject to such amendment.

k) Subordination: By subordination agreement executed by the Board, the benefits of Sections 30 i) and 30 j) above may in the sole and absolute discretion of the Board be extended to a beneficiary not otherwise entitled thereto if the Board deems such action to be appropriate.

31. General Provisions:

a) Term: These covenants of restrictions are to run with the land and shall be binding on all parties having any right, title or interest in the Lots in The Summit, Phase III and Phase IV, and all persons claiming under them until January 1, 2014, after which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless an instrument signed by not less than 2/3rds of the then owners of the Lots is filed for record in Kerr County, Texas, altering, rescinding or modifying said covenants and restrictions in whole or in part.

b) Enforcement: The covenants, reservations, easements and restrictions set out herein are for the benefit of the undersigned, their heirs, successors and assigns and equally for the benefit of any subsequent owner of a Lot or Lots in The Summit, Phase III and Phase IV, his heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, and easements and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity, by any one or more of said parties. The covenants, restrictions, and reservations shall be enforceable by owners of Lot or Lots in The Summit, Phase III and Phase IV. The covenants, restrictions, easements and obligations herein contained are performable and shall be enforceable in Kerr County, Texas.

c) Severability: The invalidity, abandonment or waiver of any one of these covenants, reservations, easements, and restrictions shall in no way effect or impair the other covenants, reservations, easements and restrictions which shall remain in full force and effect.

d) Amendment: This Declaration shall be amended during the first 10 year period by an instrument signed by not less than

2/3rds of the Lot owners. After 10 years, this Declaration may be amended by an instrument signed by not less than 2/3rds of the Lot owners. To be valid, any amendment must be recorded in the Deed Records of Kerr County. For purposes of this paragraph, Developer shall be entitled to the number of votes as calculated by Section 28 c) (1) cc) hereof that Developer is entitled pursuant to such Section as of the date such vote is taken.

e) Acceptance of Declaration: By acceptance of a deed, or by acquiring any ownership interest in any real property included within this Declaration, each person or entity, for himself or itself, his heirs, personal representatives, successors, transferees and assigns, binds himself, his heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, rules and regulations now or hereafter imposed by this Declaration and any amendments thereof. In addition, each such person by so doing thereby acknowledges that this Declaration sets forth a general scheme for the improvement and development of the real property covered thereby.
