On the sale or conveyance of an Unit, all unpaid assessments against an Owner for the Owner's share in the expenses to which Articles 5.02 and 5.03 of this Declaration refer shall first be paid out of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature, except the following:

(a) Assessments, liens, and charges in favor of the State of Texas and any political subdivision of the State of Texas for taxes past due and unpaid on the Unit.

(b) Amounts due under mortgage instruments duly recorded, if recorded prior to assessments or charges.

Lien and Foreclosure for Delinquent Assessments

7.01. (a) If the Project is damaged by fire or any other disaster, the insurance proceeds, except as provided in Paragraph 7.01(b) of this Declaration, shall be applied to reconstruct the Project.

(b) Reconstruction shall not be compulsory if at least 80 percent of the vote of the Owners in total and the vote of each Owner of a unit or assigned Limited Common Element that will not be rebuilt or repaired, is cast not to rebuild. If the Owners so vote to not rebuild any Unit, then 80% of the Owners of all the Units need to decide how to reallocate the Common Elements and the Association shall prepare, execute and record an amendment to the Declaration reflecting the reallocation. If the entire Project is not repaired or replaced and unless otherwise unanimously agreed to by the Owners, the proceeds shall be delivered pro rata to the Owners or their mortgagees, as their interest may appear, in accordance with the percentages or fractions set forth in this Declaration.

Insufficient Insurance Proceeds

7.02. When reconstruction is required by the terms of Article 7.01 of this Declaration, but the insurance proceeds are insufficient to cover the cost of reconstruction, the costs in excess of the insurance proceeds and reserves shall be considered a common expense that is subject to the Association's lien rights.

Obtaining Bids for Reconstruction

7.03. If the Project is damaged by fire or any other disaster, the Board shall obtain firm bids, from two or more responsible contractors to rebuild the Project substantially as originally constructed. The Board shall also, as soon as possible after obtaining the bids, call a special meeting of the Owners to consider the bids. If the Board fails to do so within sixty (60) days after the casualty occurs, any Owner may obtain bids and call and conduct a meeting as provided by this Article 7.03. At such meeting, the Owners may, by a vote of not less than sixty-seven (67) percent of the votes present, elect to reject all of the bids or, by not less than fifty-one (51) percent of the votes present, elect to reject all the bids requiring amounts more than five hundred dollars (\$500) in excess of available insurance proceeds. If all bids are rejected, the Board shall obtain additional bids for presentation to the Owners. Failure to reject all bids shall authorize the Board to accept the unrejected bid it considers most favorable.

ARTICLE 8**RIGHTS OF BENEFICIARIES UNDER DEEDS OF TRUST**

Declarant warrants that beneficiaries under deeds of trust to Units in the Project shall be entitled to the following rights and guaranties:

(a) Should any of the Association's Governing Instruments provide for a "right of first refusal," such right shall not impair the rights of a beneficiary under a first lien deed of trust to the following:

(i) To exercise the power of sale, foreclose, or take title to an Unit pursuant to the remedies provided in the deed of trust.

(ii) To accept a deed or assignment in lieu of sale or foreclosure in the event of default by a grantor.

(iii) To interfere with a subsequent sale or lease of an Unit so acquired by the beneficiary.

(b) A beneficiary under a first lien deed of trust is entitled, on request, to written notification from the Association of any default in the performance by the grantor of any obligation under the Association's Governing Instruments that is not cured within sixty (60) days.

(c) Any beneficiary under a first deed of trust who obtains title to an Unit pursuant to the remedies provided in the deed of trust will not be liable for such Unit's unpaid assessments that accrue prior to the acquisition of title to the Unit by the beneficiary.

(d) All taxes, assessments, and charges that may become liens prior to the first mortgage under local law shall relate only to the individual Units and not to the Project as a whole.

(e) No provision of the Governing Instruments of the Association gives any Owner, or any other party, priority over any rights of a beneficiary under a first deed of trust to a Unit pursuant to its deed of trust in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or taking of Units and/or the Common Elements or portions of the Common Elements.

(f) Association assessments shall be large enough to provide for an adequate reserve fund for maintenance, repairs, and replacement of those Common Elements that must be replaced on a periodic basis. The reserve fund will be funded through the regular monthly assessments rather than by special assessments. Declarant will put \$500.00 for each unit into the initial reserve fund.

ARTICLE 9

9.07. (a) Neither Declarant nor any Owner shall, either directly or indirectly, forbid the conveyance, encumbrance, renting, leasing, or occupancy of the Owner's Unit to any person on the basis of race, color, sex, religion, ancestry, or national origin. (b) Declarant intends that the Condominium Project be operated for occupancy by persons 55 years of age or older. The Association will publish and adhere to policies and procedures that demonstrate intent required under "Housing for Older Persons Act of 1995"; and the Association will comply with the rules issued by the Secretary of HUD for verification of occupancy. The Board of Directors will establish rules from time to time to accomplish this intent.
