The Owner is hereby notified that the certificate in no way warrants the sufficiency, acceptability or approval by the Architectural Control Committee of the construction, workmanship, materials or equipment of the Improvements. Preparation and recordation of such a certificate shall be at the expense of the Owner of the improved Lot.

p) Construction Activities: This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction activities during the construction of Improvements by an Owner (including DEVELOPER) upon any portion of the Property. The termination of any action, suit or proceeding by settlement, or upon a plea of Nolo Contendere or its equivalents, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in, or not opposed to, the best interest of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(2) Insurance: The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant or agent of the Association, against any liability asserted against him or incurred by his in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability hereunder or otherwise.

(6) such covenants, conditions and restrictions as may have been imposed by the Association or prior owners of the Association Property.

b) **Damages:** Each Member and lessee described above shall be liable to the Association for any damage to Association Property which may be sustained by reason of the negligent or intentional misconduct of such person or of his family, guests or invitees. If the property, the ownership or leasing of which entitles the Owner or lessee thereof to use Association Property, is owned or leased jointly or in common, the liability of all such joint or common Owners or lessees shall be joint and several. The amount of such damage may be assessed against such person's real and personal property on or within the Property, including that leasehold estate of any lessee or the lessor of such lessee, and may be collected as provided in Section 15 below for the collection of Assessments.

c) **Damage and Destruction:** In case of destruction of or damage to Association Property by fire or other casualty, the available insurance proceeds shall be paid to the Association, which may contract to repair or rebuild the Association Property so damaged. Should the insurance proceeds be insufficient to pay all of the costs of repairing or rebuilding the damage, the Association may levy a special assessment to make good any deficiency. If the Board determines not to rebuild any property so destroyed or damaged or to build facilities substantially different from those which were destroyed or damaged, it shall call a special meeting of the Members to consider such decision. If the Members by 3/4 of the votes cast at such meeting elect to ratify such decision, the Board shall act accordingly; but if the Members do not by such percentage elect to ratify such decision, the Board shall proceed to repair or rebuild the damaged or destroyed facility with payment therefor to be made as set forth in this section.

#### Section 15. Initial Membership Fees, Funds and Assessments:

##### a) Initial Membership Fee:

Each person who purchases a Lot in the Subdivision shall pay (i) a one time Membership Fee in the amount of \$300.00 to K4POA which will be placed in the Association's Treasury and will be used to pay taxes, repair and maintenance expenses for the Association Property and Common Areas; and (ii) monthly membership dues in an amount to be determined by the Board Of Directors of K4POA.

##### b) Assessments:

- (1) The Association may levy from time to time an assessment against each Owner for a sum equal to a percentage of or a dollar amount associated with each \$1,000.00 of assessed value of that portion of the Property (land and Improvements) owned by such Owner as assessed by Kerr County, Texas for ad valorem tax purposes for the preceding year.
- (2) Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose, in proportion to the amount of the Assessment year or other period remaining after said date.
- (3) Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the property against which the assessment fell due, and shall become a vendor's lien against each such Lot and all Improvements thereon. The Association may enforce payment of such assessments in accordance with the provisions of this paragraph.

c) **Maintenance Fund:** The Board shall establish a fund (the "Maintenance Fund") into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this declaration. The funds of the Association must be used solely for purposes related to the areas and Improvements owned by or leased to the Association, or subject to these restrictions for maintenance or operation by the Association or otherwise for purposes authorized by this Declaration, as it may from time to time be amended. Nothing contained herein shall limit, preclude or impair the establishment of other maintenance funds by a Subassociation pursuant to any Supplemental Declaration.

d) **Regular Annual Assessments:** Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Except in the case of specific area assessments provided for herein, uniform and equal assessments (i.e., assessments based on uniform and equal percentages of tax valuation or uniform and equal dollar charges per \$1,000.00 of tax valuation) sufficient to pay such estimated net expenses shall then be levied against all Owners as herein provided. If the sums collected prove inadequate for any reason, including nonpayment of any individual assessment, the association may at any time and from time to time levy further assessments in the same manner as aforesaid. All such regular assessments shall be due and payable to the Association during the fiscal year in equal monthly installments on or before the first day of each month or in such other manner as the board may designate in its sole and absolute discretion.

e) **Special Assessments:** In addition to the regular annual assessments provided for above in paragraph 15 (d), the Board may levy special assessments whenever in the Board's opinion such special assessments are necessary to enable the Board to carry out the mandatory functions of the Association under the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C and whenever in the Board's opinion, special assessments are necessary to enable the Board to carry out the optional functions of the Association under the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C.

f) **Assessment Benefitting Special Areas:** The Association shall also have authority to levy Special Assessments against specific local areas and Improvements to be expended for the benefit of the properties so assessed. The assessments levied under this Section shall be levied in proportion to the benefits conferred or to be conferred as determined by the Board and therefore the amount levied against each parcel of land or Improvements need not be equal. Any such assessments shall constitute a lien on the properties so assessed and such liens shall be enforced in the same manner and to the same extent as provided for regular and special assessments in this paragraph.

g) **Subassociation Assessments:** The Association shall have the authority to levy and collect assessments on behalf of any Subassociation created pursuant to the Declaration. No Subassociation shall have the authority to levy and collect assessments independently of the Association without the prior written consent of the Association acting through the Board. All assessments levied by the Association on behalf of any Subassociation shall be tendered by the Association to the Subassociation within a reasonable time; provided; however, that the Association shall be allowed to retain out of such funds a reasonable collection fee. The assessments levied by the Association on behalf of any Subassociation shall constitute a lien on the properties assessed and such liens shall be enforced in the same manner and to the same extent as provided for regular and special assessments in this section.

h) **Late Charges:** If any assessment, whether regular or special is not paid within 15 days after it is due, the Owner may be required by the Board to pay a late charge at such rate as the Board may designate from time to time; provided however such charge shall never exceed the maximum charge permitted under applicable law.

i) **Unpaid Assessments as Liens:** The amount of any delinquent assessment, whether regular, special or for the benefit of a specific area or a subassociation, assessed against any property and any late payment charge attributable thereto, plus interest on such assessment and late payment charge at a rate of eighteen (18%) percent per annum simple interest (not to exceed the maximum charge permitted under applicable law) and the costs of collecting the same, including reasonable attorney's fees, shall be the personal obligation of the Owner of the property against which the assessment fell due and shall be a lien upon such property, including any Lot and the Improvements thereon. A certificate executed and acknowledged by any member of the Board stating the indebtedness secured by such lien shall be conclusive upon the Association as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request at a reasonable fee.

j) **Mortgage Protection:** Notwithstanding any other provision of the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C, no lien created under this Section 15 or under any other section of this Declaration, nor any lien arising by reason of any breach of the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C nor the enforcement of any provision of this Declaration or of any Supplemental Declaration shall defeat or render invalid the rights of the beneficiary under any recorded mortgage of first and senior priority now or hereafter given upon a Lot or condominium unit, made in faith and for value. However, after the foreclosure of any such first mortgage or after conveyance in lieu of foreclosure, such Lot or condominium unit shall remain subject to the Restrictions, Covenants and Conditions of KEYSTONE SECTIONS FOUR A AND FOUR C and shall be liable for all regular and special assessments levied prior to

completion of such foreclosure or delivery of such conveyance whether falling due before or after such completion or such delivery.

k) **Effect of Amendments on Mortgages:** Notwithstanding the provision of Section 17 (d) below, no amendment of this Declaration shall affect the rights of any Beneficiary whose mortgage has the first and senior priority as in Section 15 i) provided and who does not join in the execution thereof, provided that such mortgage is recorded in the Real Property Records of Kerr County, Texas prior to the recordation of such amendment; provided however that after foreclosure, or conveyance in lieu of foreclosure the property which was subject to such mortgage or deed of trust shall be subject to such amendment.

l) **Subordination:** By subordination agreement executed by the Board, the benefits of Sections 15 i) and 15 j) above may in the sole and absolute discretion of the Board be extended to a beneficiary not otherwise entitled thereto if the Board deems such action to be appropriate.

#### Section 16. Universal Easements:

The Owner of each Lot (including DECLARANT so long as DECLARANT is the Owner of any Lot) is hereby granted an easement not to exceed three (3) foot in width over all adjoining Lots for the purpose of accommodating any encroachment or protrusion due to engineering or fence line errors, errors in original construction, surveying, settlement or shifting of any building, or any other cause. There shall be easements for the maintenance of said encroachment, protrusion, settling or shifting; provided, however, that in no event shall an easement for encroachment or protrusion be created in favor of an Owner or Owners of said encroachment or protrusion occurred due to willful misconduct of said Owner or Owners. In addition, the Owner of each Lot is hereby granted an easement for encroachments not to exceed three (3) feet in width by misplaced fences or fence lines and overhanging roofs, caves or other improvements as originally constructed over each adjoining Lot and for encroachments due to the location of trees or retaining walls and the maintenance thereof. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to each affected Lot and shall pass with each conveyance of said Lot.

#### Section 17. General Provisions:
