Anything herein to the contrary notwithstanding, Developer reserves the right to amend all or any part of these Restrictions, Covenants and Conditions to such an extent and with such language as may be requested by any federal, state or local agency which requests such an amendment as a condition precedent to any approval by any such agency, or by any federally or state chartered lending institution as a condition precedent to lending funds upon the security of any tract thereof. Any such amendment shall be effected by the recordation, by Developer, of a Certificate of Amendment signed by a duly authorized agent of Developer, with his signature acknowledged, specifying the Federal, state or local governmental agency or the federally or state chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such a Certificate shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Certificate, when recorded, shall be binding upon BEAR PAW RANCH and all persons having an interest therein; such persons having such interest hereby expressly waiving any notice thereof or right to consent thereto.
20. **Severability of all Terms and Provisions.** If any term or provision of this instrument, or the application thereof shall be held invalid, all other terms and provisions of this instrument, or the application thereof shall not be affected thereby, nor shall any failure of the Developer, the Committee or any Member to seek enforcement of any term or provision constitute a waiver of any right to do so in the future or the validity or enforceability of such term or provision.
21. **Enforcement.** The Developer, the Association, the Committee and every other person, firm or corporation hereinafter having any right, title or interest in any tract or parcel of land in BEAR PAW RANCH or any additional property, shall have the right to prevent the violation of any of said restrictions by injunction or other lawful procedure to recover any damages resulting from such violations. Damages for the purpose of this paragraph shall include court costs and necessary attorney fees.

(j) The lien of the assessments provided for herein shall be subordinate and inferior to the lien or equivalent security interest of any first mortgage or deed of trust now or hereafter placed upon a tract subject to assessment if the mortgage or deed of trust is for purchase money of or improvements on such tract and placed upon the tract at a time when no default has occurred and is then continuing in the payment of any portion of the assessment for such provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the time when the holder of any first mortgage or deed of trust comes into possession of a tract under the provisions of the mortgage, by virtue of foreclosure of the mortgage, or by deed or assignment in lieu of foreclosure, or the time when a purchaser at any such foreclosure sale comes into possession, except for claims for a share of such charges or assessments resulting from a reallocation of such charges or assessments to all tracts including the mortgaged tract in question. Such sale shall not relieve such tract from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

(k) The following property subject to these Restrictions, Covenants and Conditions shall be exempted from the assessments, charge and lien created herein:

(i) All properties dedicated and accepted by the local public authority and devoted to public use.

(ii) All Common Areas as defined in Article I hereof.

(iii) All portions of BEAR PAW RANCH owned by Developer.

(l) The omission of the Board of Directors, before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions hereof, or a release of any Member from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is filed.

(m) The Association shall have the right and authority to pledge, hypothecate, collateralize or otherwise mortgage or encumber the monies paid and to be paid into said Maintenance Fund to finance the construction of improvements on any recreational or public area in BEAR PAW RANCH or in repayment thereof to the developing company or any lending institution or agency.

(n) Said maintenance charge and assessments, together with said liens securing the same, shall remain in effect and shall be collectable until January 1, 1999, and shall be extended automatically for successive periods of ten (10) years, unless prior to the commencement of any extended ten (10) year term a majority of the Members elect to discontinue such charges, which election shall be evidenced by a written instrument executed and acknowledged by a majority of the Members and filed of record in the office of the County Clerk of Kerr County, Texas.

26. Easements. Easements for installation, maintenance, repair and removal of utilities, drainage facilities and floodway easements over, under and across BEAR PAW RANCH are reserved by Developer for itself, its successors and assigns. Developer shall have the right to grant easements for such purposes over, under, and across BEAR PAW RANCH. Full rights of ingress and egress shall be had by Developer and its successors and assigns, at all times over BEAR PAW RANCH for the installation, operation, maintenance, repair or removal of any utility together with the right to remove any obstruction that may be placed in such easement that would constitute interference with the use of such easement, or with the use, maintenance, operation or installation of such utility. Full rights of ingress and egress shall be had by the Association at all times over and upon each tract for the maintenance and repair in accordance with the provisions hereof, and for the carrying out by the Association of its functions, duties and obligations hereunder; provided, that any such entry by the Association upon any shall be made with as minimum inconvenience to the Member as practical, and any damage caused thereby shall be repaired by the Association at the expense of the Maintenance Fund.

26. Headings. The headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation hereof.

27. Notices. Any notice required to be given to any Member or otherwise shall be deemed to have been properly delivered when deposited in the United States mails, postage prepaid, addressed to the last known address of the person to whom it is addressed, as appears on the records of the Association at the time of such mailing.

28. Disputes. Matters of dispute or disagreement between Members with respect to interpretation or application of the provisions hereof or the Bylaws, shall be determined by the Board of Directors, which determination shall be final and binding upon all Members, except as otherwise expressly provided herein.

30. Rule Against Perpetuities. If any interest purported to be created hereby is challenged under the Rule against Perpetuities or any related rule, the interest shall be construed as becoming void and of no effect as the end of the applicable period of perpetuity computed from the date when the period of perpetuities starts to run on the challenged interest; the "lives in being" for computing the period of perpetuities shall be those which would be used in determining the validity of the challenged interest.

31. No tract shall permit, or be used for, access to or from any road, highway or street, except through the use of and across the main entrance and roads and easement to Tract #67 shown and specified on the plat of BEAR PAW RANCH, and no Member shall cause or permit any access from or to a tract except across and through the roads as shown and specified on the plat of BEAR PAW RANCH (e.g. no access road from a tract outside of BEAR PAW RANCH shall be permitted). Access to, from and through BEAR PAW RANCH shall be limited and restricted to only the roads and easement to Tract #67 as shown and specified on the plat of BEAR PAW RANCH.

32. Notwithstanding any provision, covenant and restriction herein set forth to the contrary, any improvements now situated upon any portion of BEAR PAW RANCH which do not conform or comply with the restrictions and covenants herein set forth shall be permitted as presently constructed, but any repairs, alterations and remodeling change or reconstruction of any such existing improvements shall comply with the provisions hereof.

AMENDMENT TO COVENANTS, CONDITIONS AND
RESTRICTIONS
OF
BEAR PAW RANCH

THIS AMENDMENT TO COVENANTS, CONDITIONS AND RESTRICTIONS
(this "Amendment") is made and entered into on this 9th day of
JULY, 1991.

WITNESSETH:

A. REESE DEVELOPMENT CORPORATION ("Developer") has heretofore executed and acknowledged those certain Covenants, Conditions and Restrictions (the "Original Restrictions"), dated May 1, 1983, covering certain real estate and premises situated in Kerr County, Texas, which is more particularly referred to and described therein and has caused the Original Restrictions to be filed in the Office of the County Clerk of Kerr County, Texas, in Volume 227, Page 23 of the Deed Records of Kerr County, Texas and said Original Restrictions were subsequently amended by instrument recorded in Vol. 294, page 453 of the Deed Records of Kerr County, Texas. The Original Restrictions and all subsequent amendments are hereafter referred to as the "Restrictions."

B. The Restrictions provide that Fifty-One Percent (51%) of the Members (owners of, or purchasers under a Contract for Deed of, tracts within BEAR PAW RANCH, a subdivision in Kerr County, Texas, according to the map or plat thereof, recorded in Volume 5, Page 10, Plat Records, Kerr County, Texas) may amend the Restrictions in writing by execution of such written amendment and recording the same in Kerr County, Texas, and by forwarding a copy of such amendment to all Members.

NOW, THEREFORE, the undersigned Members, owning more than Fifty-One Percent (51%) of the tracts within BEAR PAW RANCH, and being more than Fifty-One Percent (51%) of the Members (as evidenced by a List of All Members of Bear Paw Ranch Homeowners Association attached hereto and made a part hereof for all purposes), hereby amend the provisions of the Restrictions as follows:

(1) Section 9 of the Restrictions is deleted and the following is to be substituted therefor:

9. The Architectural Control Committee. There is hereby established an Architectural Control Committee herein referred to as the "Committee". The Committee shall determine if the plans and specifications for any fence, building or other structure on any tract meet the requirements of these Restrictions, Covenants and Conditions, determine if the appearance, design and quality of workmanship and materials are in harmony with the proposed scheme or plan of development of BEAR PAW RANCH as established by the Committee, and approve the location of any such structure with respect to topography and ground elevation. No construction of any structure nor any addition or alteration of any structure may begin until a plot plan and plans and specifications for the same have been approved by the Committee. If approval is granted construction shall be commenced within eight (8) months thereafter and, if not, said approval shall be automatically withdrawn. The building of any approved structure must be completed within twelve (12) months of commencement of construction. Construction plans and specifications shall include elevations of all sides of the proposed

proposed structure and notes and/or specifications that describe the materials to be used on the exteriors.

The Committee shall be composed of no less than three (3) and no more than five (5) members all of whom shall be appointed by the Developer, or by the Board of Directors, if the Developer so designates, until such time as eighty five percent (85%) of the tracts have been sold. When the title to eighty five percent (85%) of the tracts is vested in Members other than the Developer, Developer shall no longer appoint the Committee and the Committee shall be composed of the Developer and persons appointed by the Board of the Association, and they shall thereupon be vested with all the rights, powers and authority herein granted to the Committee. Regardless of who appoints the Committee (the Developer or the Board of Directors) the Committee will serve at the discretion, and be responsible to, the Developer or Board of Directors whichever is appropriate. A majority of the Committee may designate in writing a representative to act for it. The Committee shall maintain a copy of each house plan submitted to it in the Association files showing the date submitted and the date approved by the Committee. There shall be no payment of compensation for services performed by the Committee or its members pursuant to these Restrictions, Covenants and Conditions and no member of the Committee shall be liable for damages, claims or causes of action arising out of any services performed pursuant hereto.

The Committee may grant variances to these Restrictions, Covenants and Conditions upon the request of any Member or any Committee Member and upon the determinations by the Committee that such variance is appropriate and that such variance is necessary to avoid any undue hardship or to carry out and apply the intent of these Restrictions, Covenants and Conditions as interpreted by the Committee, provided that any such variance shall not adversely affect or impair the rights and interests of other Members or tracts within BEAR PAW RANCH. Neither the Committee nor any of its members shall be liable for damages, claims or causes of action arising out of any decision or action performed or taken hereunder. The Committee may consider in granting or denying any variance the nature of the use of the land, the structure to be constructed, the topography of the land, land use and structures on surrounding areas, and the effect, if any, of the variance on the appearance of the completed structure. The Committee may impose such conditions as it deems appropriate in granting any such variance. Any such variance, if granted, shall apply only to the particular property and situation specified, and shall not amend these Restrictions, Covenants and Conditions, or any provisions hereof, nor shall it be a variance as to any other property or situation. The Committee will post on the bulletin board all current projects under review. Members involved may appeal Committee decisions to the Board of Directors.

(2) Section 16 of the Restrictions is deleted and the following is to be substituted therefor:

16. Fire and Trees. No burning or open fires will be permitted on any of the Common Areas without the express consent of the Committee and/or the Fire Safety Committee. Tract owners may burn brush on their individual tract provided the burn is a "Control Burn". A "Control Burn" is hereby defined as one in which the individual(s) are present with adequate means of preventing the fire from becoming out of control. Fire

FOURTH AMENDMENT TO
RESTRICTIONS, COVENANTS AND CONDITIONS OF
BEAR PAW RANCH

THIS FOURTH AMENDMENT TO RESTRICTIONS, COVENANTS AND CONDITIONS OF BEAR PAW RANCH (the "Amendment") is made and entered into on this 18th day of February, 1994.

W I T N E S S E T H:

A. REESE DEVELOPMENT CORPORATION ("Developer") has heretofore executed and acknowledged those certain Restrictions, Covenants and Conditions (the "Original Restrictions"), dated May 1, 1983, covering certain real estate and premises situated in Kerr County, Texas, which is more particularly referred to as described therein and has caused the Original Restrictions to be filed in the Office of the County Clerk of Kerr County, Texas in Volume 227, Page 23 of the Deed Records of Kerr County, Texas, and said Original Restrictions were subsequently amended by instruments recorded in the Deed Records of Kerr County, Texas, as follows, to-wit: First Amendment, Vol. 294, Page 453; Second Amendment, Vol. 307, Page 177; and Third Amendment, Vol. 599, Page 20. The Original Restrictions and all subsequent amendments are hereafter referred to as the "Restrictions".

B. The Restrictions provide that fifty-one percent (51%) of the Members (owners of, or purchasers under a Contract for Deed of, tracts within BEAR PAW RANCH, a subdivision in Kerr County, Texas, according to the map or plat thereof, recorded in Volume 5, Page 10, Plat Records, Kerr County, Texas) may amend the Restrictions in writing by execution of such written amendment and recording the same in Kerr County, Texas, and by forwarding a copy of such amendment to all Members.

NOW, THEREFORE, the undersigned Members, owning more than fifty-one percent (51%) of the tracts within BEAR PAW RANCH, and being more than fifty-one percent (51%) of the Members, hereby amend the provisions of the Restrictions as follows:

Section 9. of said Restrictions is deleted and the following is to be substituted in lieu thereof:

" 9. The Architectural Control Committee. There is hereby established an Architectural Control Committee herein referred to as the "Committee". The Committee shall determine if the plans and specifications for any fence, building or other structure on any tract meet the requirements of these Restrictions, Covenants and Conditions, determine if the appearance, design and quality of workmanship and materials are in harmony with the proposed scheme or plan of development of BEAR PAW RANCH as established by the Committee, and approve the location of any such structure with respect to topography and ground elevation. No construction of any structure nor any addition or alteration of any structure may begin until a plot plan and plans and specifications for the same have been approved by the Committee. If approval is granted construction shall be commenced within eight (8) months thereafter and, if not, said approval shall be automatically withdrawn. The building of any approved structure must be completed within twelve (12) months of commencement of construction. Construction plans and specifications shall include elevations of all sides of the proposed structure and notes and/or specifications that describe the materials to be used on the exteriors.

The Committee shall be composed of five (5) Members all of whom shall be appointed by the Board of Directors of Bear Paw Ranch Homeowners' Association, in its first meeting following the adoption of these amendments. Each appointed member shall be designated and assigned a position number on the Committee. Position numbers 1, 3 & 5 designees would be considered odd year Member appointments and Position numbers 2 & 4 designees would be considered even year Member appointments. Each odd number year the Board will appoint a Member to the odd number positions and each even number year the Board shall appoint a Member to the even number positions. A Committee Member shall not serve more than two consecutive terms. Each Committee Member's term shall be for two (2) years. The Committee Members will be named each year at the first Board meeting following the annual meeting of the Members of Bear Paw Ranch Homeowners' Association.

The Committee shall be composed of the persons appointed by the Board of the Association, and they shall thereupon be vested with all the rights, power and authority herein granted to the Committee. The Committee shall serve at the discretion, and be responsible to, the Board of Directors. A majority of the Committee shall designate in writing a Chairman to act for it. The

Committee shall maintain a copy of each house plan submitted to it in the Bear Paw Homeowners' Association files showing the date submitted and the date approved by the Committee. There shall be no payment or compensation for services performed by the Committee or its members pursuant to these Restrictions, Covenants and Conditions and no member of the Committee shall be liable for damages, claims or causes of action arising out of any services performed pursuant hereto.

The Committee may grant variances to these Restrictions, Covenants and Conditions upon the request of any Member or any Committee Member and upon the determinations by the Committee that such variance is appropriate and that such variance is necessary to avoid any undue hardship or to carry out and apply the intent of these Restrictions, Covenants and Conditions as interpreted by the Committee, provided that any such variance shall not adversely affect or impair the rights and interests of other Members or tracts within BEAR PAW RANCH. Before any such variance is granted, the Committee shall provide at least ten (10) days' notice of any variance request to adjoining tract owners to the tract requesting a variance prior to making a final determination. Within ten (10) days' of receipt of the notice adjoining tract owners may submit any comments or objections regarding the requested variance to the Committee for its consideration. Neither the Committee nor any of its Members shall be liable for damages, claims or causes of action arising out of any decision or action performed or taken hereunder. The Committee may consider in granting or denying any variance the nature of the use of the land, the structure to be constructed, the topography of the land, land use and structures on surrounding areas, and the effect, if any, of the variance on the appearance of the completed structure. The Committee may impose such conditions as it deems appropriate in granting any such variance. Any such variance, if granted, shall apply only to the particular property and situation specified, and shall not amend these Restrictions, Covenants and Conditions, or any provisions hereof nor shall it be a variance as to any other property or situation. The Committee will post on the bulletin board of the Bear Paw Ranch Homeowners' Association all current projects under review. Members involved may appeal Committee decisions to the Board of Directors.

All reports to the Committee shall be submitted to the Chairman."

The terms, provisions, covenants, conditions and restrictions set forth in and made the subject of the Restrictions are hereby reaffirmed and agreed to be in full force and effect, subject to the amendment set forth herein.

IN WITNESS WHEREOF, the undersigned have executed this AMENDMENT on this 18th day of February, 1994.
