#### MEMBERSHIP

Section 1. Membership. Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject to the covenants, conditions, restrictions, reservations, easements, liens and charges, of this Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned. Membership shall be appurtenant to a Lot and may not be separated from ownership of the Lot. Ownership of a Lot shall be the sole qualification for membership. The Owner of record of each Lot shall be subject to assessment by the Association, as hereinafter provided, and shall be subject to enforcement by the Association in accordance with the terms and provisions of this Declaration.

## ARTICLE IV

### VOTING RIGHTS

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be those Owners defined in Article III with the exception of the Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Article III. When more than one (1) person or entity holds such interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant, D.R. Horton, Inc., its successors and assigns. The Class B member shall be entitled to three (3) votes for each Class A Member vote, provided that the Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

- (a) Ninety (90%) percent of the Lots have been conveyed to third-party purchasers other than Builders;
- (b) Ten (10) years from the date of recording this Declaration; or
- (c) Thirty (30) days after Declarant elects to terminate the Class B Membership.

## ARTICLE V

### PROPERTY RIGHTS

Section 1. Membership Easements of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the non-exclusive use of the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Area, and in aid thereof to mortgage said Common Area and the rights of such mortgagee in said Common Area shall be subordinate to the rights of the Owners hereunder; the right to mortgage the Common Area provided herein shall not become effective until a Home has been constructed upon each Lot within the Property and each Lot has been conveyed from the Declarant to a purchaser. No such rights to mortgage shall be effective unless an instrument shall be signed by two-thirds (2/3) of the Members other than the Declarant.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes, and subject to such conditions as may be agreed to by the Members, or to mortgage all or any part of the Common Area. No such dedication, transfer or mortgage, shall be effective unless an instrument signed by

Members entitled to cast two-thirds (2/3rds) of the votes of the Class A membership and two-thirds (2/3rds) of the votes of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance of the duly called meeting at which the vote on such dedication or transfer is held;

(c) The right of the Declarant or the Association to establish, from time to time, certain easements over the Common Area for utilities, broadband communications, cable television and other common services purposes;

(d) The right of the Association to charge reasonable fees for the use of designated facilities (if any) on the Common Area;

(e) Existing easements and agreements of record;

(f) Easements referred to in Article X hereof;

(g) The right to the use and enjoyment of the Common Area and facilities thereon shall extend to all Members and their family, tenants, contract purchasers and invited guests, provided there is delegation of the right of enjoyment in accordance with the By-Laws and subject to regulation from time to time by the Association in its Rules;

(h) Access to certain Common Area within the Property may not be obtained from an Owner's or Member's Lot or other Common Area or publicly dedicated streets or properties. Thus, to obtain access to certain Common Area for which access can not be obtained from the Owner's or Member's Lot, other Common Area or publicly dedicated streets or properties, the Owner or Member shall need to obtain the permission of a Lot Owner whose Lot is contiguous to said Common Area. The fact that a Member or Owner shall not have access to certain Common Area from his or her Lot, Common Area or publicly dedicated streets or properties does not allow an Owner to escape liability for assessments provided for in Article VI of this Declaration; and

(i) The other provisions of this Declaration, the Articles and By-Laws.

## Section 2. Common Area.

(a) Ownership. The Declarant hereby represents that the fee simple title to the Common Area has been or will be conveyed to the Association and the Association shall maintain the Common Area. The Association shall be obligated to accept conveyance of any Common Areas from the Declarant as deemed necessary or advisable by Declarant.

(b) Maintenance. The Association shall be responsible for the maintenance of the Common Areas in a continuous and satisfactory manner in good order, condition, and repair. In addition, the Association shall replace as scheduled any and all improvements situated on the Common Areas (upon completion of construction by Declarant), including, but not limited to, all landscaping, paving, drainage structures, street lighting fixtures, signs, irrigation systems, sidewalks, and other structures, but excepting any public utilities. The Association shall be

authorized, but not required, to provide other services, such as installation and maintenance of security gates and emergency repairs and other work on Lots reasonably necessary for the proper maintenance and operation of the Community, and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through assessments as provided in this Declaration; provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as a Special Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas.

(c) Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the Common Areas, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines and suspension of the right to vote. The Board of Directors shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided herein and in the Bylaws of the Association.

Section 3. Declarant's Reserved Rights. Notwithstanding any provision herein to the contrary, the property rights under this Article V shall be subject to:

(a) The right of Declarant to execute all documents and take such actions and do such acts affecting the Property or the Common Area which, in the Declarant's sole discretion, are desirable or necessary to facilitate the Declarant's actual construction or development, construction, sales and marketing of the Property. However, nothing contained herein shall authorize either Declarant to take any action that will diminish the rights of any lienholder or the holder of any mortgage on any Lot or on the Common Area; take any action that will affect title to any of the Lots after conveyance to third parties; or unilaterally change the Declaration, Articles, By-Laws and Rules after the Class B Membership has terminated;

(b) Easements of record on the date hereof and any easements which may hereafter be granted by Declarant to any public or private utilities or governmental bodies for the installation and maintenance of cable television, electrical and telephone conduit and lines, sewers or water pipes, or any other utilities or services to any Lots within the Property or any portion of the Common Area or such easements as Declarant may determine are necessary or beneficial for the maintenance or preservation of the Property;

(c) The Declarant shall have full rights of ingress and egress to and through, and over and about the Property, including all Common Areas, during the Development Period and such additional period of time as Declarant is engaged in any construction or improvement work, sales, leasing or marketing of the Community on or within the Property, and the Declarant shall further have an easement thereon for the purpose of storage of materials, vehicles, tools, equipment, etc., which are being utilized in such development or construction and for the use and maintenance of signs, banners, and the like being used in connection with the sale or promotion of the Property, or any portion thereof. The Declarant shall further have the right to operate and

maintain models, sales centers and leasing offices and to operate and open gates and access to the Community to facilitate sales and marketing of the Community in Declarant's sole and absolute discretion. No Owner, his guests, employees, servants, agents and invitees shall in any way interfere or hamper Declarant, its agents, servants, employees, invitees, successors or assigns, in connection with such construction, development, promotion or sales activity; and

(d) The Declarant shall have full right to assign any or all of its right, title and interest in the Property, both as Declarant and as a Member of the Association, to another party by the execution and recording of a proper instrument in the Public Records of the County. This provision shall not, however, be construed to allow Declarant to assign a membership in the Association in a transaction separate from ownership of a Lot. Notwithstanding the foregoing, the Declarant shall also have the right to grant a Builder certain rights reserved hereunder to the Declarant for the purpose of constructing Homes in the Community by executing an assignment of rights in favor of the Builder to be kept in the official records of the Association.

Section 4. No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area, except for access to and from and throughout the property described in the Plat or any additions thereto.

Section 5. Incorporation of Easements by Reference. Reference in the respective deeds of conveyance, or any mortgage or trust deeds or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents.

Section 6. Surface Water Management. It is acknowledged that the surface water management, drainage and storage system for the Property is one integrated system, and accordingly those portions contained within the Property shall be deemed Common Area and an easement is hereby created over the entire Property for the surface water drainage and storage, and for the installation and maintenance of the surface water management, drainage and storage system for the Property; provided, however that such easement shall be subject to improvements constructed within the Property as permitted by controlling governmental authorities from time to time. If, pursuant to the permitting requirements of any governmental authority, the surface water management system for the Property is required to provide drainage for any other property, such other property shall have an easement for drainage purposes into the surface water management system for the Property. The surface water management, drainage, and storage system of the Property shall be developed, operated, and maintained in conformance with the requirements of, and any permits or approvals issued by the South Florida Water Management District ("WMD") and any other controlling governmental authority. Except as hereafter provided, the Association shall maintain the entire surface water management, drainage, and storage system for the Property, including but not limited to all lakes and canals, swale areas, retention areas, culverts, pipes, pumps, catch basins, preserve areas, and related appurtenances, and any littoral zones in any lakes or other waterway, regardless of whether or not same are natural or man-made within the Property or are owned by the Association and the cost of the same shall be a common expense. Such maintenance shall be performed in conformance with

the requirements of any governmental authority, and an easement for such maintenance is hereby created. The Association will have the right, but not the obligation, to maintain any portion of the surface water management, drainage, and storage system for the Property which is owned and/or maintained by any controlling governmental authority, or which is outside of the Property. The Association will have the right to enter into agreements with any controlling governmental authority or any other property owner or association for the common maintenance of the surface water management, drainage, and storage system serving the Property and any other property. The Property shall be required to accept surface water drainage from any other property pursuant to the requirements of any controlling governmental authority and an easement for such drainage is hereby created, and in connection therewith the Association will have the right, but not the obligation, to maintain any portion of the surface water management system for such other property reasonably required in connection with the maintenance or operation of the surface water management system for the Property. If wetland mitigation monitoring will be required, the Association shall be responsible to complete the task successfully, including meeting including all conditions associated with mitigation maintenance and monitoring.

## ARTICLE VI

### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments to be Paid to the Association. The Declarant, for each Lot owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of operating expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) ("Regular Assessments" or "Annual Assessments"); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses levied or imposed against the Association or property of the Association ("Special Assessments"); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots ("Individual Assessments"). All such assessments shall be fixed, established and collected from time to time as hereinafter provided. The Regular, Special and Individual Assessments, together with such interest thereon and costs of collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Property and shall be a *continuing lien* relating back to the date of recordation of the Declaration upon any Lot against which each such assessment is made, and said lien may be enforced in the same manner in which mortgages are enforced. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when

the assessment becomes due. Each Owner shall be jointly and severally responsible with the previous Owner for all Assessments due to the Association prior to the transfer of title.

Section 2. Purpose of Assessments. The assessments to be levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and shall specifically include, but not limited to: payment of water charges for the Lots and Common Area billed through the master water meter; any fees due under a bulk service agreement entered into on behalf of the Owners by the Association or Declarant; the maintenance of the Common Area; the payment of taxes and insurance for the Common Area; payment for the improvement and maintenance of the Common Area; and services and facilities related to the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover operating expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Section 5 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment.

Section 3. Basis of Annual Assessments. For the first twelve (12) months of operation of the Association, the Annual Assessment shall be the amount as set forth in the estimated operating budget of the Association for the initial year of operation. From and after the initial year of operation, the Annual Assessment shall be determined in accordance with the Articles of Incorporation and By-Laws of the Association taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association is responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. Because reserve accounts are not being initially provided for by the Declarant, the Members of the Association may elect to collect reserves after the expiration of the Class B Membership upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the membership or by the written consent of a majority of the total voting interests of the Association. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. Upon approval by the membership, the Board shall include the required reserve accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be funded or maintained or have their funding waived in the manner provided by Chapter 720, Florida Statutes. Notwithstanding the same, reserves will not be funded by the Declarant for the Lots Declarant owns so long as Declarant is funding any deficits in operating costs pursuant to Section 12 herein.

Section 4. Uniform Rate of Assessment. Unless otherwise provided for herein, both Annual and Special assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on a quarterly or annual basis or as determined by the Board of Directors; provided, however, any unimproved or vacant Lot which does not have a Home that is occupied or has not been issued a Certificate of Occupancy, shall only be obligated to pay 25% of the per Lot Annual Assessment. Payments of all assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect assessments.

Section 5. Special Assessment for Capital Improvements. In addition to the Annual Assessment authorized above, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, PROVIDED that any such assessments shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. Any unimproved or vacant Lot which does not have a Home that is occupied or has not been issued a Certificate of Occupancy on the date of the Special Assessment, shall only be obligated to pay 25% of the per Lot Special Assessments. The remaining balance of the Special Assessment shall be allocated equally to all Lots with a Home.

Section 6. Quorum for Any Action Authorized Under Section 5. At each meeting called, as provided in Section 5 hereof, the presence of the meeting of Members or of proxies entitled to cast thirty percent (30%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Section 5 and the required quorum at any such subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence upon the sale of a Lot from the Declarant to a third party purchaser; provided, however, unimproved or vacant Lots shall pay only 25% of the regular Annual Assessment until the earliest of the following events to occur: a) a Certificate of Occupancy being issued for a Home constructed on a Lot; or b) the occupancy by an Owner of a Home constructed on a Lot. The Annual Assessment due and payable for each unimproved or vacant Lot that is issued a Certificate of Occupancy or has an occupied Home shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each year. Written notice of the Annual Assessment shall be sent to every Owner subject thereto together with the due date of such assessments established by the Board of Directors. The Board of Directors, if necessary to insure cash flow, may institute reasonable late payment fees for delinquent payment of the Annual Assessment. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of

the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars (\$25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the amount of such assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) without recourse to Declarant and/or the Association of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts shall be first applied to fines levied in accordance with the terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment. Additionally, if a Home is occupied by a tenant and the Owner is delinquent in the payment of Assessments, the Association may demand from the tenant payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the tenant provides the Association with written evidence of making prepaid rent payments, the tenant shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

Section 9. Special Assessment Against a Particular Owner of Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance to which such Lot is subject shall be an Individual Assessment; and said assessment shall be enforced in the same manner as provided for in Section 8.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be superior to all other liens except tax liens and the liens of any bona

vide Institutional First Mortgage to an Institutional First Mortgagee recorded prior to any lien for assessments by the Association; provided, however, that said mortgage liens are first liens against the property encumbered thereby, subject only to tax liens, and secure indebtednesses payable in monthly, quarterly or annual payments over a period of not less than ten (10) years.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the assessments created herein: (a) any portion of the Property dedicated to and accepted by a local public authority; (b) the Common Area; (c) any portion of the Property which is designated and/or reserved for easements; and (d) any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida; however, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 12. Declarant's Guarantee of Deficit. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant is the Owner of any Lot, the Declarant shall not be liable for Annual, Special or Individual Assessments against such Lots owned by the Declarant, provided that the Declarant funds any deficit in operating expenses exclusive of reserves, cost of capital improvements, non-budgeted repairs or replacement and management fees (if the Declarant is entitled to same). For the purposes hereof, a deficit shall be computed by subtraction from said operating expenses (exclusive of the items described in the foregoing sentence) all assessments, contributions and other sums received or receivable by the Association. The Declarant may at any time commence to pay assessments to the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Association for the payment of assessments or deficits other than those that arose prior to such time.

Section 13. Surface Water Management System. The Association is responsible for assessing and collecting fees for the operation, maintenance, and, if necessary, replacement of the surface water management system, preserve areas and preserve or conservation easements, which is part of the Common Area. Fees shall be assessed and collected through Annual Assessments or other assessment, if necessary.

## ARTICLE VII

### CAPITAL CONTRIBUTION

Section 1. Capital Contribution on Sale By Declarant. At the time of the closing of a Home by the Declarant or a Builder, each purchaser shall pay to the Association the sum of \$500.00 as the amount of working capital contribution. These monies (hereinafter called "**Capital Contribution**") shall be the Association's property, and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and By-Laws. The Capital Contribution shall be deemed ordinary association income and need not be separated from or held or applied differently than assessments. No refund of a Capital Contribution will be made on re-sale.

Section 2. Capital Contribution on Sale By Owner Other Than Declarant. At the time of the closing of a Home pursuant to a sale by an Owner other than Declarant, each purchaser shall pay to the Association the sum of \$500.00 as a Capital Contribution. These monies shall be the Association's property, and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and By-Laws. The Capital Contribution shall be deemed ordinary association income and need not be separated from or held or applied differently than assessments. No refund of a Capital Contribution will be made on re-sale.

## ARTICLE VIII

### ARCHITECTURAL CONTROL

Section 1. Review of Proposed Construction. Subject to Section 2 below, no improvement or alteration of any kind, including, but not limited to, a fence, wall or other addition, structure, or equipment (including landscaping, antennas, awnings, and shutters) shall be installed, painted, erected, removed or maintained within the Property, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and approved in writing by, a majority of the Board of Directors of the Association. The Board of Directors of the Association shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property and that the appearance of any improvement or other structure affected thereby will be in harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if within the Development Period) and if otherwise desirable. The Board of Directors of the Association may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Board of Directors of the Association may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Board of Directors of the Association may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of Directors of the Association of any required plans and specifications, the Board of Directors of the Association may postpone review of any plans submitted for approval. The Board of Directors of the Association shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans. During the period of time the Declarant appoints the majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed not approved; however, once Owners other than the Declarant elect a majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed approved. All changes and alterations shall be subject independently to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees. Any alteration or modification to the location and/or placement of exterior walls of any Home shall be further conditioned on compliance with the County ordinances and the obtaining of applicable governmental approvals, if any.

Section 2. No Waiver of Future Approvals. The approval of the Board of Directors of the Association of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board of Directors of the Association, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whether subsequently or additionally submitted for approval or consent.

Section 3. Liability of the Board of Directors of the Association. No member of the Board of Directors of the Association (or Declarant) shall be liable to any Owner or other person by reason of mistake in judgment, failure to point out deficiencies in plans, or any other act or omission in connection with the approval of any plans. Any Owner submitting plans hereunder by the submitting of same, agrees (i) not to seek any damages or make any claim arising out of approval of plans hereunder, and (ii) to indemnify and hold the Board of Directors of the Association, the Association and Declarant harmless from any cost, claim, damage, expense or liability whatsoever, including attorneys' fees and costs at all tribunal and appellate levels (and whether or not suit is instituted), arising out of the approval of any plans regardless of the negligence of the committee members, their representatives, or appointing entity.

Section 4. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required hereunder the applicant for such approval ("**Applicant**") shall give written notice of completion to the Board of Directors of the Association.

(b) Within thirty (30) days thereafter, the Board of Directors of the Association (or its duly authorized representative) may inspect such completed work. If the Board of Directors of the Association finds that such work was not affected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same.

(c) If an Applicant is notified of any noncompliance, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If Applicant does not comply with the Board of Directors of the Association ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance (an easement therefore being hereby created), and Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. This amount, together with interest thereon at the rate of eighteen (18%) percent per annum from the date the noncompliance was to have been remedied or removed, the maximum late fee allowed under Florida Statutes for each month that a violation exists if payment is not made within thirty (30) days after announcement, and all costs and reasonable attorneys' fees incurred by the Association in collection, enforcement or abatement, as appropriate (including attorneys' fees incurred at all appellate levels and whether or not suit is instituted) shall be a personal obligation of Owner and shall not pass to the successors in title of Owner unless expressly assumed by such successors. Such amount (including interest, costs, late fees and attorneys' fees as provided above) shall also be a *continuing lien* and run with the land

on the Owner's Property if not paid within thirty (30) days after notice enforceable in the same manner in which mortgages are enforced by foreclosure, or by bringing an action at law or equity against the Owner.

(d) If for any reason the Board of Directors of the Association fails to notify the Applicant of any noncompliance within forty-five (45) days after receipt of written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with the approved plans.

Section 5. Variances. The Board of Directors of the Association may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variance must be evidenced in writing and must be signed by at least two (2) members of the Board of Directors of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the Lot and Home, including, but not limited to, zoning ordinances and lot setback lines or requirements imposed by any governmental or municipal authority.

It will also be the duty of each Lot Owner to maintain in good repair any driveway servicing a single Lot. If any Lot Owner breaches these covenants, the Association may enforce these covenants in accordance with the provisions of this Declaration.

The Lot Owner shall not plant any trees or shrubbery on his Lot without first obtaining the prior written consent of the Association, unless the planting is the replacement of existing landscaping that has died or otherwise requires replacement. The Association is hereby granted an easement over and across the Lot Owner's Lot for the purpose of maintaining and cutting the grass, and the Lot Owner

shall not place any obstruction, fence, wall, tree or shrubbery on such ground without the consent of the Association, the said consent being conditioned on the Association having free access to the property for the purpose of maintaining and cutting the grass.

It is anticipated that the Association shall require all Homes to be painted every five years. In addition, it is anticipated that the Association shall require the roof, exterior walls, sidewalks, patios and driveways of all Homes to be pressured washed every three years. The Board shall convene a duly noticed meeting to determine when the uniform exterior painting and pressuring washing shall be required for all Homes in the Community and each Owner shall have at least 120 days to commence the work after the Association provides written notification of required painting or cleaning. Each Owner shall have the right to paint or clean more frequently than required by the Association, provided that prior written approval of paint color is obtained from the Board. ## ARTICLE XII

### COVENANTS RELATING TO FIRST MORTGAGEES

Section 1. The following actions will require the prior written approval of two-thirds (2/3) of the holders of record of Institutional First Mortgages on Lots within the Property, (based upon one (1) vote for each Institutional First Mortgage holder): the abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area by the Association, other than the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area; a material change in the method of determining the assessments or other charges that may be levied against an Owner; the failure of the Association to maintain fire and extended coverage on any insurable improvements hereafter on the Common Area and any insurable improvements thereon in an amount that shall not be less than one hundred (100%) percent of the insurable value, based on the current replacement costs; the use of the insurance proceeds paid to the Association for any loss to the Common Area, or the improvements thereon, for any purpose other than the repair, replacement or reconstruction of the Common Area and the improvements thereon; the amendment of the Declaration in any manner which materially affects or impairs the rights of an Institutional First Mortgagee; the conveyance, encumbrance or hypothecation in any manner of the Common Area.

Section 2. An Institutional First Mortgage encumbering any Lot in the Property may singly or jointly with other Institutional First Mortgagees: pay the taxes or other charges which are in default and which may or have become a charge against the Common Area; pay overdue premiums on hazard insurance policies for the Common Area; or secure new hazard insurance

coverage for the Common Area after lapse of the existing coverage. In the event any Institutional First Mortgagee makes any of the aforementioned payments, such Institutional First Mortgagee shall be entitled to immediate reimbursement from the Association for the payments advanced, and such Mortgagee shall be subrogated to the assessment and lien rights of the Association against the Owners for the repayment of such advance, and the expense of making such reimbursement to the Institutional First Mortgagee shall be deemed a common expense of the Association.

Section 3. No provision of this Declaration shall be interpreted to give an Owner, or any other party, priority over the rights of any Institutional First Mortgagee pursuant to the terms of its Mortgage on any Lot on the Property in the event of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Any Institutional First Mortgagee of a Lot on the Property who obtains title to a Lot pursuant to the remedies provided in said Mortgagee's Institutional First Mortgage on that Lot, or obtains title by deed in lieu of foreclosure, shall not be jointly and severally liable with the prior owner for unpaid assessment or charges accrued against said Lot prior to the acquisition of title to said Lot by such Mortgagee; however, such Mortgagee, or its successors or assigns as a subsequent holder of the first mortgage, acquiring title to a Lot by foreclosure or by deed in lieu of foreclosure, shall be liable for the unpaid Assessments that became due before the mortgagee's acquisition of title in the amount equal to the lesser of (i) the Lot's unpaid Assessments and Special Assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent of the original mortgage debt on the Lot. The limitations on Assessment liability for Institutional First Mortgagees obtaining title through foreclosure provided by this paragraph apply only if the Institutional First Mortgagee filed suit against the Lot Owner and initially joined the Association as a defendant in the mortgagee foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable. Institutional First Mortgagees shall be responsible for all Assessments on the Lot as of the date of acquisition, including any Special Assessment assessed or coming due after the date of acquisition of title to the Lot.

Section 5. The Institutional First Mortgagee of any Lot on the Property is entitled, upon request, to written notification from the Association of any default in the performance by the Owner of any of such Owner's obligations pursuant to the terms of this Declaration, which default is not cured after sixty (60) days notice to such Owner.

Section 6. Any Institutional First Mortgagee who acquires title to any portion of the Property by way of foreclosure, deed in lieu of foreclosure, or otherwise, shall be entitled to any exemption from the restrictions on sales and leasing of Homes and Lots to the same extent that Declarant would be exempt from such restrictions.

## ARTICLE XIII

### LEASE AND OCCUPANCY RESTRICTIONS

Section 1. Leases. All leases shall be in writing, be approved by the Association and shall provide that the Association shall have the right to terminate the lease in the name of and as agent for the lessor upon default by tenant in observing any of the provisions of the Declaration, the Articles of Incorporation, By-Laws of the Association and applicable rules and regulations, if any. Leasing of Lots and Homes shall be subject to the prior written approval of the Association. The Association may require an interview of the prospective tenant. The Owner or tenant requesting the approval shall pay to the Association a fee of One Hundred and No/100 (\$100.00) Dollars to cover the costs of reviewing the lease, examining records and interviewing the tenant. No lease shall be approved for a term of less than six (6) months. No Home may be leased more than two (2) times in any calendar year unless otherwise approved by Association in the case of hardship. The prior written approval of the Association for a lease shall not apply to Lots and/or Homes acquired by an Institutional Mortgagee who has acquired title to the Lot and/or Home through foreclosure or deed in lieu of foreclosure. The Owner will be jointly and severally liable with the tenant to the Association for any sum which is required by the Association to affect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. The Board of Directors may by a majority vote establish a requirement that a sum of money not to exceed One Thousand and No/100 (\$1,000.00) Dollars or one month's rent, whichever is greater, be deposited in escrow with the Association as a security deposit for the purpose of covering the cost of any damage to the Common Area or other portions of the Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The number of occupants must comply with applicable codes regarding the size of the Home. The tenant, as part of the lease agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and all policies adopted by Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules and any other policies adopted by Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be charged to the Owner as an Individual Assessment. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home. If a Lot or Home is occupied by a tenant and the Owner is delinquent in paying any monetary obligation due to the Association, the Association may demand that the tenant pay to the Association all rental payments becoming due and continue to make such payments until all the monetary obligations of the Owner related to the Lot have been paid in full and the Association releases the tenant or until the tenant discontinues tenancy, in accordance with the terms of Florida law.

In particular, no Owner other than Declarant or the Association shall install any landscaping, place any fill on a Lot, remove or cut littoral plantings or native vegetation, spray herbicide or grade portions of the Property which would adversely affect the drainage of any contiguous Lot. No construction activities may be conducted relative to any portion of the surface water management system, including but not limited to digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the system as permitted. No person shall fill, dike, rip-rap, block, divert or change the water retention and drainage areas that have been or may be created without the prior written consent of the Association and WMD. If such actions are permitted by the Permit and WMD, the Declarant or Association may draw water for irrigation or other purposes from any water management area. All recreational activities, including without limitation,

Section 5. Rights of WMD. The WMD has the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel the Association to correct any outstanding problems with the surface water management system facilities or any mitigation or conservation areas under the responsibility or control of the Association.

### INSURANCE AND HAZARD LOSSES

Section 1. Authority. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if available at commercially reasonable rates, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not available at commercially reasonable rates, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. Insurance that shall be

carried on the Common Areas and the Association Property, to the extent provided in this Article XV, shall be governed by the following provisions:

Section 2. Named Insured. All insurance policies upon the Common Areas and the Association Property shall be purchased by the Association and shall be placed in a single agency or company, if possible, licensed by the State of Florida. The named insured shall be the Association. The Association has the authority to use its discretion in obtaining the coverage listed hereinafter, as some of the requirements may be or become unobtainable, or may be cost prohibitive.

Section 3. Coverage. The Association shall use its best efforts to maintain insurance covering the following:

(a) Casualty. The Common Areas including any structures thereon, and all fixtures, installations or additions comprising that part of the Common Areas to be insured under the Association's policy(ies) and such improvements from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Areas or owned by the Association (collectively the "Insured Property"), shall be insured in an amount not less than 100% of the full insurance replacement value thereof, excluding foundation and excavation costs. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

(b) Loss or Damage by Fire and Other Hazards covered by a standard extended coverage endorsement; and

(c) Such Other Risks as from time to time are customarily covered with respect to the Common Areas and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

(d) Flood Insurance. If any part of the Common Areas or Association Property is in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, the Association may maintain a master or blanket policy of flood insurance. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(e) Liability Insurance. If the policy does not include "severability of interest" in its terms, a specific endorsement must be obtained to preclude the insurer's denial of an Owner's claim because of negligent acts of the Association or of other Owners.

(f) Public Liability Insurance. The Association shall obtain public liability and property damage insurance covering all of the Common Areas and the Association Property and insuring the Association and the Members as their interests appear in such amounts and providing such coverage as the Board of Directors of the Association may determine from time to time. The liability insurance shall include, but not be limited to, hired and non-owned automobile coverage.

(g) Workmen's Compensation Insurance. The Association shall obtain workmen's compensation insurance in order to meet the requirements of law, as necessary.

(h) Directors and Officers Liability Insurance. The Association shall obtain directors and officers liability insurance providing such coverage as the Board of Directors of the Association may determine from time to time.

(i) Other Insurance. The Board of Directors of the Association shall obtain such other insurance as they shall determine from time to time to be desirable.

Section 4. Subrogation Waiver. If available, the Association shall obtain policies which provide that the insurer waives its right to subrogation as to any claim against Members, the Association and their respective servants, agents and guests.

Section 5. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association. The cost of insurance premiums and other incidental expenses incurred by the Association in administering and carrying out any of the provisions of this Section shall be assessed against and collected from Members as part of the Annual Assessments.

Section 6. Association's Power to Compromise Claims. The Board of Directors of the Association is hereby irrevocably appointed agent for each Member and for each holder of a mortgage or other lien, for the purpose of compromising and settling all claims arising under insurance policies purchased by the Association, and to execute and deliver releases upon payment of claims.

After the Class B Membership terminates, the covenants and restrictions of this Declaration may be amended by an instrument signed by not less than thirty (30%) percent of the Lot Owners. (g) Non-Exclusive Remedies. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, any penalty paid by the offending Owner shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner.

(h) Right of Entry. In addition to the foregoing rights, whenever (a) there shall have been built within the Property any structure which is in violation of this Declaration or in the event of any damage or destruction of any of the Property or portion thereof by an Owner or any of its guests, invitees, tenants or occupants, into disrepair and/or has not been maintained as required by this Declaration and/or any Rules, or (b) any portion of the Property and/or Home owned by an Owner has fallen into disrepair and/or has not been maintained as required by this Declaration and/or any Rules, a duly authorized representative of the Association may enter upon the Property where such violation, damage or destruction exists and summarily abate, remove or correct the same at the expense of the Owner; provided, however, that the Association shall then make the necessary repairs, constructions, etc., to insure that the Property and improvements where such violation occurred is restored to the same condition in which it existed (or should have existed) prior to such violation, and any such entry, abatement, removal or restoration and construction work shall not be deemed a trespass. Section 11. Declarant's Disclaimer of Representations. Notwithstanding anything to the contrary herein, Declarant makes no warranties or representations whatsoever that the plans presently envisioned for the development of the Property or surrounding land can or will be carried out, or that any real property now owned or hereafter acquired by the Declarant is or will be subjected to this Declaration, or that any such real property (whether or not is have been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or that if such real property is once used for a particular use, such use will continue in effect. While Declarant has no reason to believe that any of the restrictive covenants and other provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenant and other provisions. Any Owner acquiring a Lot in reliance on or more of such restrictive covenants and other provisions herein shall assume all risks of the validity and enforceability thereof and by accepting a deed to the Lot agrees to hold Declarant harmless therefrom.

Amendment of these Articles requires the approval of at least two-thirds of the membership votes. Notwithstanding the foregoing; (a) for so long as the Developer has the right to appoint the entire Board of Directors of the Association, the Developer or its successor or assign shall be permitted to unilaterally amend these Articles; and (b) for so long as Developer owns any portion of the Property, no amendment of these Articles shall make any changes which

Fax Audit No. H14000085539 3

would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Developer, unless the Developer joins in the execution of the amendment.

Such amendments shall be subject to the prior approval required by any appropriate governmental agency. Notwithstanding anything to the contrary herein contained, amendments for correction of scrivener's errors may be made by the Board of Directors of the Association alone without the need of consent of any other person. Notwithstanding the foregoing, matters stated herein to be or which are in fact governed by the Declaration may not be amended except as provided in such Declaration. Additionally, the provisions which are governed by the By-laws of this Association may not be amended except as provided in the By-laws.

Any amendment to these Articles that would alter the surface water management or drainage systems, conservation areas, preserve areas, easements related thereto or any water management areas of the Common Areas must have the prior approval of the SFWMD. Any such proposed amendments must be submitted to the SFWMD for a determination of whether the amendment necessitates a modification to the SFWMD Permit. If the proposed amendment necessitates a modification to the SFWMD Permit, the modification to the SFWMD Permit must be approved by the SFWMD prior to the amendment to these Articles.

#### ARTICLE XIV. INDEMNIFICATION OF OFFICERS AND DIRECTORS

1. The Association hereby indemnifies any Director or Officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

a. Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for any act alleged to have been committed by such person in his capacity of Director or Officer of the Association, or in his capacity as a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or Officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

b. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or Officer of the Association, or by reason of his being or having been a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily

Fax Audit No. H14000085539 3

incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

2. The Board of Directors shall determine whether amounts for which a Director or Officer seeks indemnification were properly incurred and whether such Director or Officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

3. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

#### ARTICLE XV. TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

1. With the exception of Directors and Officers appointed by the Class B Members, any financial or familial interest of an Officer or Director in any contract or transaction between the Association and one (1) or more of its Directors or Officers, or between the Association and any other corporation, partnership, association or other organization in which one (1) or more of its Directors or Officers are directors or officers, or have a financial interest, shall be disclosed, and further shall not be voidable solely for this reason, or solely because the Director or Officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction or solely because his or their votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

2. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction, but must abstain from voting on the issue.

#### ARTICLE XVI. - DISSOLUTION

The Association may be dissolved if three-fourths (3/4) of the votes cast at a duly held meeting of the Members of the Association vote in favor of dissolution. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which

Fax Audit No. H14000085539 3

this Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.

EXHIBIT "C"

BYLAWS

**BYLAWS OF  
TUSCANY POINT COMMUNITY ASSOCIATION, INC.**

A corporation not-for-profit organized  
under the laws of the State of Florida

1. Identity. These are the Bylaws of TUSCANY POINT COMMUNITY ASSOCIATION, INC., (the "Association"), a corporation not for profit incorporated under the laws of the State of Florida, and organized for the purpose of administering that residential home Community known as Tuscany Point located in Collier County, Florida (the "Property").
  - 1.1 Principal Office. The principal office of the Association shall be at 10541 Six Mile Cypress Parkway, Suite 100, Fort Myers, Florida 33966, or at such other place as may be subsequently designated by the Board of Directors. All books and records of the Association shall be kept at its principal office.
  - 1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.
  - 1.3 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida," the words "Corporation Not for Profit," and the year of incorporation.
2. Definitions. For convenience, these Bylaws shall be referred to as the "Bylaws" and the Articles of Incorporation of the Association as the "Articles." The other terms used in these Bylaws shall have the same definition and meaning as those set forth in that certain Declaration of Covenants, Restrictions, Conditions and Easements of Tuscany Point (the "Declaration"), unless herein provided to the contrary, or unless the context otherwise requires.
3. Members. The members of the Association ("Members") shall be as specified in the Articles and Declaration.
  - 3.1 Annual Meeting. The annual Members' meeting shall be held on the date, at the place and at the time determined by the Board from time to time, provided that there shall be an annual meeting every calendar year. To the extent possible, the annual meeting shall be held during October, November or December and no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business authorized to be transacted by the Members, or as stated in the notice of the meeting sent to Members in advance thereof.
  - 3.2 Special Meeting. Special Members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board. A special meeting must be called by the President or Secretary upon receipt of a written request from a majority of the Members of the Association. The business conducted at a special meeting shall be limited to the purposes stated in the notice of the meeting.

- 3.3 Notice of Meeting; Waiver of Notice. Notice of a meeting of Members stating the time and place and the purpose(s) for which the meeting is called shall be given by the President or Secretary. A copy of the notice shall be posted at a conspicuous place within the Property. The notice of the annual meeting shall be hand delivered or sent by mail to each Owner, unless the Owner waives in writing the right to receive notice of the annual meeting by signing a waiver of notice, in person or by proxy, either before or after the meeting. The delivery or mailing shall be to the address of the Member as it appears on the roster of Members described in Section 10 hereof. The posting and mailing of the notice shall be effected not less than fourteen (14) days, nor more than sixty (60) days, prior to the date of the meeting. Proof of posting or hand delivery may be given by affidavit, and proof of mailing of the notice may be given by retention of post office receipts, or by affidavit. Notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called. Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

Notice of Member annual or special meetings may be waived before or after the meeting. The attendance of any Member (or person authorized to vote for such member) shall constitute such Member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

- 3.4 Quorum. A quorum at Members' meetings shall be attained by the presence, either in person or by proxy, of persons entitled to cast thirty percent (30%) of the votes of Members, unless a higher number is specifically provided elsewhere in the Declaration, the Articles or these Bylaws. If voting rights of any Member are suspended pursuant to the provisions of the Declaration or these Bylaws, the vote(s) of such Member shall not be counted for the purpose of determining the presence of a quorum and the total number of authorized votes shall be reduced accordingly during the period of such suspension.

3.5 Voting.

- (a) Classes of Voting Membership. The Association shall have two (2) classes of Members, each with voting rights as follows:

Class A. Class A Members shall be all Owners, including Declarant. Class A Members shall be entitled to one (1) vote for each Lot they own. Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each vote Class A Members are entitled to cast at any time, thus giving the Class B Member a three-fourths (3/4ths) majority of votes in the Association. The Class B Membership shall cease upon the first to occur of the following:

- (i) the date which is ten (10) years from the date upon which

the Declaration is recorded in the Public Records of the County; or

(ii) after ninety percent (90%) of the Lots in the Property that will ultimately be operated by the Association have been conveyed to Members; or

(iii) thirty (30) days after termination of the Class B Membership by resignation of all Declarant-appointed directors and delivery to the Secretary of the Association of a certificate in recordable form, signed by Declarant and stating that Declarant elects to terminate the Class B Membership. Upon termination of the Class B Membership, Declarant shall retain any voting rights it may have as a Class A Member.

Notwithstanding the foregoing, Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

- (b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Members for all purposes except where otherwise provided by law, the Declaration, the Articles or these Bylaws. As used in these Bylaws, the Articles or the Declaration, the terms "majority of the Members" and "majority of the Members" shall mean a majority of the votes of Members and not a majority of the Members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves.
- (c) Voting Owner. If a Lot is owned by one person, his right to vote shall be established by the roster of Members. If a Lot is owned by more than one person, the person entitled to cast the vote for the Lot shall be designated by a certificate signed by all of the record Owners of the Lot according to the roster of Owners and filed with the Secretary of the Association. Such person need not be a Lot Owner, nor one of the joint owners. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot concerned. A certificate designating the person entitled to cast the vote for a Lot may be revoked by any record owner of an undivided interest in

the Lot. If a certificate designating the person entitled to cast the vote for a Lot is not on file or has been revoked, the vote of the Member(s) of such Lot shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed, except if the Lot is owned jointly by a husband and wife. If a Lot is owned jointly by a husband and wife, they may, without being required to do so, designate a voting Member in the manner provided above. Such designee need not be an Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

- (i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).
- (ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Lot vote just as though he or she owned the Lot individually, and without establishing the concurrence of the absent person.
- (iii) If both are present at a meeting and concur, either one may cast the vote.
- (d) Corporation. If a Lot is owned by a corporation or other entity, the Chairman of the Board, President, Vice President, Secretary, or Treasurer of the Corporation holding such Membership in the Association, and any like officer of a foreign corporation whether for profit or not for profit, holding a Membership in the Association, shall be deemed by the Association to have the authority to vote on behalf of the Corporation and to execute proxies and written waivers and consents in relation thereto, unless before a vote is taken on a waiver of consent is acted upon it is made to appear by certified copy of the Bylaws or Resolution of the Board of Directors or executive committee of the Corporation that such authority does not exist or is vested in some other officer or person. In absence of such certification, the person executing any such proxies, waivers or consents or presenting himself at a meeting as one of such officers of a Corporation shall be for the purposes of this Section conclusively deemed to be duly elected, qualified and acting as such officer and be fully authorized. In the case of conflicting representation, the corporate Member shall be deemed to be represented by its Senior Officer, in the order first stated in this subsection.

3.6 Proxies. A proxy may be made by any person entitled to vote, but shall only be

valid for the specific meeting for which originally given and any lawfully adjourned and reconvened meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be dated, must state the date, time, and place of the meeting for which it was given, and signed by the person authorized to cast the vote for the Lot (as above described) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Holders of proxies need not be Owners. If the proxy form expressly so provided, any proxy holder may appoint, in writing, a substitute to act in his place.

- 3.7 Adjourned Meetings. Adjournment of an Annual or Special meeting to a different date, time, or place must be announced at the meeting before an adjournment is taken, or notice must be given of the new date, time, or place pursuant to the notice provision of the Bylaws. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are Members as of the new record date but were not Members as of the previous record date. If any proposed meeting cannot be organized because a quorum has not been attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as provided by law, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.
- 3.8 Order of Business. If a quorum has been attained, the order of business at annual Members' meetings, and, if applicable, at other Members' meetings, shall be:
- (a) Call to order by President;
  - (b) Appointment by the President of a chairman of the meeting (who need not be a Member or a Director);
  - (c) Proof of notice of the meeting or waiver of notice;
  - (d) Reading of minutes;
  - (e) Reports of officers;
  - (f) Reports of committees;
  - (g) Appointment of inspectors of election;
  - (h) Determination of number of Directors;
  - (i) Election of Directors;

- (j) Unfinished business;
- (k) New business;
- (l) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

- 3.9 Minutes of Meeting. Minutes of all meetings of the Members of an Association must be maintained in written form or in another form that can be converted into written form within a reasonable time. The minutes of all meetings of Members shall be kept in a book available for inspection by Members or their authorized representatives or board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.
- 3.10 Delinquent Members. If any Assessment or portion thereof imposed against a Member remains unpaid for ninety (90) days following its due date, such Member's voting rights in the Association shall be automatically suspended until all past due Assessments and other sums then due are paid, whereupon the voting rights shall be automatically reinstated. Delinquent Members shall not be eligible to serve on the Board of Directors.
- 3.11 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action herein required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken shall be signed by the Members (or persons authorized to cast the vote of any such Member as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of such Members at which a quorum of such Members (or authorized persons) entitled to vote thereon were present and voted.

Written consent shall not be effective to take the Association action referred to in the consent unless the consent is signed by the Members having the requisite number of votes necessary to authorize the action within sixty (60) days of the date of the earliest dated consent and is delivered in the manner required by this Section.

Any written consent may be revoked prior to the date that the Association receives the required number of consents to authorize the proposed action. A revocation is not effective unless in writing and until received by the Association, or received by the Secretary or other officer or agent of the Association.

A consent signed under this Section has the effect of a meeting vote and may be described as such in any document. Whenever action is taken pursuant to this Section, the written consent of the Members consenting to such action or the

written reports of inspectors appointed to tabulate such consents must be filed with the minutes of proceedings of the Members.

Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

- 3.12 Recording. Any Member may tape record or videotape meetings of the Membership. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Membership.

#### 4. Directors

- 4.1 Membership. The affairs of the Association shall be managed and governed by a Board of Directors (the "Board") of not less than three (3) prior to the Declarant's turnover of control of the Association to Members other than Declarant; of not less than three (3) after the Declarant's turnover of such control; and in no event more than five (5) "Directors", the exact number initially to be as set forth in the Articles, and thereafter, except as provided herein, to be determined from time to time upon majority vote of the membership.
- 4.2 Election of Directors. The election of Directors shall be conducted in accordance with Chapter 720.306, Florida Statutes, and the following manner:
- (a) Election of Directors shall be held at the annual Members' meeting, except as provided herein to the contrary.
  - (b) Nominations for Directors and additional directorships created at the meeting shall be made from the floor or in advance if absentee ballots are accepted.
  - (c) The election shall be by written ballot (unless dispensed with by majority consent of the Owners represented at the meeting) and decided by a plurality of the votes cast for each candidate.
  - (d) All Members of the Association shall be eligible to serve on the Board of Directors unless otherwise provided by Florida law, and a Member may nominate himself as a candidate for the Board at a meeting where the election is to be held.
- 4.3 Vacancies and Removal.
- (a) Except as to vacancies resulting from removal of Directors by Members, vacancies on the Board occurring between annual meetings of Members shall be filled by majority action of the remaining Director(s), provided that all vacancies in directorships to which Directors were appointed by the Declarant pursuant to the provisions of Section 4.17 hereof shall be filled by the Declarant without the necessity of any meeting.

- (b) Any Director elected by the Members may be removed from office with or without cause by the vote or agreement by a majority of all votes of the Membership. The vacancy in the Board so created shall be filled by the Members at the same meeting or at a meeting of the Membership shortly thereafter. The conveyance of all Lots owned by a Director in the Community who owned one or more Lots at the time he was elected or appointed (other than appointees of the Declarant) shall constitute the resignation of such Director.
- (c) Until a majority of the Directors are elected by the Members other than the Declarant, no Directors named by the Declarant shall be subject to removal by Members other than the Declarant. Directors appointed by the Declarant and Directors replacing them may be removed and replaced by the Declarant without the necessity of any meeting.
- (d) If a vacancy on the Board of Directors results in there being no incumbent Directors, any Member may apply to the Circuit Court within whose jurisdiction the Property lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Member shall mail to the Association and post in a conspicuous place in the Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these Bylaws. If, during such time, the Association fails to fill the vacancy(ies), the Member may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these Bylaws.

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the Members and subsequently until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed members of the Board shall be held within ten (10) days of their election or appointment at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed, and no further notice to or by the Board of the organizational meeting shall be necessary.

- (a) All meetings of the Board must be open to all Members except for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by attorney client privilege. Notices of all Board meetings must be posted in a conspicuous place in the Property at least 48 hours in advance of a meeting, except in an emergency. In the alternative, if notice

is not posted in a conspicuous place in the Property, notice of each Board meeting must be mailed or delivered to each Member at least seven (7) days before the meeting, except in an emergency. An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments. Directors may not vote by proxy or by secret ballot at Board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committees or other similar body, including anybody vested with the powers to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a Member.

- 4.6 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board shall be open to all Members and notice of such meetings shall be posted conspicuously in the Community at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized at any such meeting.
- 4.7 Special Meetings. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of two-thirds (2/3rds) of the Directors. Notice of the meeting shall be given personally by mail, telephone or telegraph to each Director, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board shall be open to all Members and notice of a special meeting shall be posted conspicuously in the Property at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized, at any such meeting.
- 4.8 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.
- 4.9 Quorum. A quorum at Directors' meetings shall consist of a majority of the then incumbent Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these Bylaws.

4.10 Adjourned Meetings. If, at any proposed meeting of the Board, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other person to preside).

4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:

- (a) Proof of due notice of meeting;
- (b) Reading and disposal of any unapproved minutes;
- (c) Reports of officers and committees;
- (d) Election of officers;
- (e) Unfinished business;
- (f) New business;
- (g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. Minutes of all meetings of the Board of Directors must be maintained in written form or in another form that can be converted into written form within a reasonable time. A vote or abstention from voting on each matter voted upon for each Director present at the Board meeting must be recorded in the minutes. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Members or their authorized representative or board member at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

4.14 Recording. Any Member may tape record or videotape meetings of the Board of Directors. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Board of Directors.

4.15 Committees. The Board of Directors by resolution adopted by a majority of the full Board of Directors, may designate from among its members an executive committee and one or more other committees each of which, to the extent provided in such resolution or in the Articles of Incorporation or the Bylaws, shall have and may exercise all of the authority of the Board of Directors, except that

no such committee shall have the authority to:

- (a) Approve or recommend to members actions or proposals required by this act to be approved by members;
- (b) Fill vacancies on the Board of Directors or any committee thereof; or
- (c) Adopt, amend, or repeal the Bylaws.

The provisions of the Bylaws governing meetings, notice and waiver of notice, quorum and voting requirements of the Board of Directors shall apply to all committees and their members as well.

Each committee must have two or more members who serve at the pleasure of the Board of Directors. The Board, by resolution adopted, may designate one or more director(s) as alternative members of any such committee who may act in the place instead of any absent member at any meeting of such committee.

Neither the designation of any such committee, and delegation thereto of authority, nor action by such committee pursuant to such authority shall alone constitute compliance by any member of the Board of Directors not a member of the committee in question with his responsibility to act in good faith, in a manner he reasonably believes to be in the best interest of the Association, and with such care as an ordinary prudent person in a like position would use under similar circumstances.

- 4.16 Architectural Review Committee. As provided in the Declaration, the Board of Directors shall create an Architectural Review Committee ("ARC"), composed of not less than three (3) nor more than five (5) persons appointed by the Board, or, in the Board's discretion, the Board from time to time may constitute itself as the ARC. To the extent not inconsistent with the Declaration, the provisions of Section 4.15 shall apply to the ARC.

- 4.17 Declarant Control of Board; Turnover. So long as there shall be a Class B Membership as set forth in the Declaration, vesting voting control of the Association in the Declarant, the Declarant shall have the right to appoint and replace all Directors and Officers.

Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five (5%) percent of the Lots in the Community. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

The Declarant shall turn over control of the Association to Members other than

the Declarant upon termination of the Class B Membership by causing all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Members other than the Declarant to elect Directors and assume control of the Association. Provided at least thirty (30) days' notice of Declarant's decision to cause its appointees to resign is given to Members, neither the Declarant, nor such appointees, shall be liable in any manner in connection with such resignations even if the Members other than the Declarant refuse or fail to assume control. Control of the Association shall be deemed "turned over" upon (i) termination of the Class B Membership and (ii) resignation of all Declarant appointed Directors. Upon such turnover the Declarant shall retain all voting rights incident to its ownership of Lots.

Within a reasonable time after control of the Association is turned over to Members other than the Declarant, (but not more than ninety (90) days after such event) the Declarant shall deliver to the Association all property of the Members and of the Association held by or controlled by the Declarant, including, but not limited to, the following items, if applicable:

- (a) The original or a photocopy of the recorded Declaration, and all amendments thereto. If a photocopy is provided, the Declarant must certify by affidavit that it is a complete copy of the actual recorded Declaration;
- (b) A certified copy of the Articles of Incorporation for the Association;
- (c) A copy of the Bylaws of the Association;
- (d) The Minute Books, including all minutes, and other books and records of the Association;

- (f) Resignations of resigning officers and Board members who were appointed by the Declarant;
- (g) The financial records, including financial statements of the Association, and source documents since the incorporation of the Association to the date of turnover. The records may be reviewed, at the Association's expense, by an independent certified public accountant;
- (h) Association funds or the control thereof;
- (i) All tangible personal property that is the property of the Association, and an inventory of such property;
- (j) Insurance policies;
- (k) Copies of any Certificates of Completion which may have been issued for

the Common Areas;

- (l) Any other permits issued by governmental bodies applicable to the Common Areas in force or issued within one (1) year prior to the date the Members take control of the Association;
- (m) All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective with respect to the Common Areas;
- (n) A roster of Members and their addresses and telephone numbers, if known, as shown on the Association's records;
- (o) Leases to which the Association is a party, if applicable;
- (p) Employment contracts or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or Members have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service; and,
- (q) All other contracts to which the Association is a party.
- (r) All deeds to the Common Areas owned by the Association.
- (s) A list of the names, addresses and telephone numbers of all contractors, subcontractors and others in the employ of the Association at the time the control of the Association is turned over to Members other than Declarant.

4.18 Official Records. The Association shall maintain each of the following items, when applicable, which constitute the Official Records of the Association:

- (a) Copies of any plans, specifications, permits, and warranties related to improvements constructed on the Common Areas or other property that the Association is obligated to maintain, repair, or replace, if any;
- (b) A copy of the Bylaws of the Association and of each Amendment to the Bylaws;
- (c) A copy of the Articles of Incorporation of the Association and of each Amendment thereto;
- (d) A copy of the Declaration of Covenants and a copy of each Amendment thereto;
- (e) A copy of the current Rules of the Association;
- (f) The minutes of all meetings of the Board of Directors and of the Members,

which minutes must be retained for at least seven (7) years;

- (h) All of the Association's insurance policies or a copy thereof, which policies must be retained for at least seven (7) years;
- (i) A current copy of all contracts to which the Association is a party, including, without limitation, any management agreement, lease, or other contract under which the Association has an obligation or responsibility. Bids received by the Association for work to be performed must also be considered Official Records and must be kept for a period of one (1) year;

  - (iv) Any other records that identify, measure, record, or communicate financial information.

4.19 Inspection and Copying of Records. The Official Records shall be maintained within the State and must be open to inspection and available for photocopying by Members or their authorized agents at reasonable times and places within ten (10) business days after receipt of a written request for access. This subsection may be complied with by having a copy of the Official Records available for inspection or copying in the Property.

- (a) The failure of the Association to provide access to the records within ten (10) business days after receipt of a written request creates a rebuttable presumption that the Association willfully failed to comply with this subsection.
- (b) A Member who is denied access to the Official Records is entitled to the

actual damages or minimum damages for the Association's willful failure to comply with this subsection. The minimum damages are to be \$50.00 per calendar day up to ten (10) days, the calculation to begin on the eleventh (11th) business day after receipt of the written request.

- (c) The Association may adopt reasonable written rules governing the frequency, time, location, notice, and manner of inspections, and may impose fees to cover the costs of providing copies of the Official Records, including, without limitation, the costs of copying. The Association shall maintain an adequate number of copies of the recorded governing documents, to insure their availability to Members, and prospective members and may charge only its actual costs for reproducing and furnishing these documents to those persons who are entitled to receive them.

5. Powers and Duties. The Board shall have the powers and duties necessary for the management and administration of the affairs of the Association and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these Bylaws may not be delegated to the Board by the Members. - (k) Obtaining and reviewing insurance for the Common Areas and other property owned by the Association.
- (l) Making repairs, additions and improvements to, or alterations of, the Common Areas in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings or otherwise.
- (m) Enforcing obligations of the Members, allocating profits and expenses and taking such other actions as shall be deemed necessary and proper for the sound management of the Property.
- (n) Levying fines against appropriate Members for violations of the Declaration or rules and regulations established by the Association to govern the conduct of such Members.
- (o) Borrowing money on behalf of the Association when required in connection with the operation, care, upkeep and maintenance of the Common Areas or the acquisition of property, and granting mortgages on and/or security interests in Association owned property; provided, however, that the consent of the holders of at least two-thirds (2/3rds) of the votes of the Membership shall be required. If any sum borrowed by the Board on behalf of the Association pursuant to the authority contained in this subsection (o) is not repaid by the Association, any Member who pays to the creditor such portion thereof as his interest in the property owned by the Association bears, to the interest of all the Members in the property owned by the Association, shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against, or which will affect, such Member's Lot. The Association shall take no action authorized in this subsection without the prior written consent of the Declarant as long as the Declarant owns any Lots.
- (p) Contracting for the management and maintenance of the Common Areas or other property owned by the Association and authorizing a management agent (who may be an affiliate of the Declarant) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of the Common Areas or other Association property with funds as shall be made available by the Association for such purposes. The Association and

its officers shall, however, retain at all times the powers and duties granted by the Declaration, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.

- (q) At its discretion, authorizing Members or other persons to use portions of the Common Areas or other property owned by the Association for private parties and gatherings and imposing reasonable charges for such private use.

## 6. Officers.

- 6.1 Executive Officers. The executive officers of the Association shall be a President, Vice-President, a Treasurer and a Secretary, all of whom shall be elected by the Board and who may be peremptorily removed at any meeting at which a quorum of Directors is attained by concurrence of a majority of all of the present Directors. The President and Vice- President shall be Directors. A person may hold more than one office, except that the President may not also be the Secretary. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board from time to time shall elect such other officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers need not be Members.

- 6.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.
- 6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as shall otherwise be prescribed by the Directors.
- 6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving of all notices to the Members and Directors and other notices required by law. - 6.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board.
- 6.6 Declarant Appointees. No officer appointed by the Declarant may be removed except as provided in Section 4.17 hereof and by law.

8. Resignations. Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such later date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Lots owned by any Director or officer (other than appointees of the Declarant or other Directors or officers who are not Owners when elected or appointed) shall constitute a written resignation of such Director or officer.
9. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:
  - 9.1 Budget.

(a) Adoption By Board; Items. The Board shall from time to time, and at least annually, prepare a budget for the Common Expenses, determine the amount of Assessments payable by the Members to meet the expenses of the Association, and allocate and assess such expenses among the Members, in accordance with the provisions of the Declaration.

The budgets must reflect the estimated revenues and expenses for the year and the estimated surplus or deficit as of the end of the current year including all fees and charges for exterior maintenance, landscaping, upkeep and insurance, if applicable, of Common Areas and structures thereon. In addition to the annual operating expenses, and to the extent applicable, the budgets may include reserve accounts for capital expenditures and deferred maintenance. Reserves, however, may be waived in accordance with the Declaration and applicable Florida law. In the event of such waiver, the budget need not reflect or include reserve accounts for capital expenditures and deferred maintenance; provided, however the budget shall contain a disclosure stating reserves have been properly waived.

The adoption of the budgets for the Association by the Board shall comply with the requirements hereinafter set forth. A copy of the proposed budget shall be mailed to each Member not less than fourteen (14) days prior to the meeting of the Board at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting. The Board shall have the power to adopt the budget at the duly noticed meeting by a majority vote.

(b) Adoption by Membership. In the event that the Board shall be unable to adopt a budget in accordance with the requirements of Subsection 9.1(a) above, the Board may call a special meeting of Members for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection. Alternatively, the Board may propose a budget in writing to all Members of the Association or a specified sub-group of Members, where applicable. If either such budget is adopted by a majority of the votes of Members to which the budget applies, present at such meeting, or receiving such written budget, upon ratification by a majority of the Board, it shall become the budget for such year.

9.2 Depository. The depository of the Association shall be such bank(s) or savings and loan association(s) in the State of Florida as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or contributions to working capital or otherwise may be commingled in a single fund or divided into more than one fund, as determined by the Board.

9.3 Acceleration of Assessment Installments upon Default. If a Member shall be in default in the payment of an installment upon an Assessment for more than thirty (30) days, the Board or its agent may accelerate the remaining installments of the

Annual Assessment upon written notice to such Member, and the then unpaid balance of the Assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice or ten (10) days after mailing of the notice, whichever shall first occur.

- 9.4 Fidelity Bonds. Fidelity bonds may be required by the Board for all persons handling or responsible for Association funds in such amount as shall be determined by a majority of the Board, but no less than \$10,000 for each such person so bonded, if any. The premiums on such bonds shall be paid by the Association as a Common Expense.
- 9.5 Accounting Records and Reports. The Association shall maintain accounting records in the State of Florida, according to accounting practices normally used by similar associations or the manager under any applicable management contract. The records shall be open to inspection by Members or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Lot designating the name and current mailing address of the Member, the amount of each Assessment, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due.

Within ninety (90) days following the end of the fiscal year, the Association shall prepare or contract with a third party to prepare and complete a financial report for the previous twelve (12) months. Within twenty-one (21) days after the final financial report is completed by the association or received from the third party, but not later than 120 days after the end of the fiscal year, the Association shall provide each Member with a copy of the annual financial report or a written notice that a copy of the annual financial report is available upon request at no charge to the Member. The financial report shall be prepared in accordance with Chapter 720, Florida Statutes, and may consist of either financial statements presented in conformity with general accepted accounting principals or a financial report of actual receipts and expenditures, cash basis, which report must show the amounts of receipts by accounts and receipt classifications and may show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

- (a) Cost for security;
- (b) Professional and management fees and expenses;
- (c) Taxes;
- (d) Cost for Common Areas;
- (e) Expenses for refuse collection and utility services;
- (f) Expenses for lawn care;

- (g) Cost for building maintenance and repair;
- (h) Insurance costs;
- (i) Administrative and salary expenses;
- (j) General reserves, maintenance reserves and depreciation reserves; and
- (k) Beginning and ending cash balances of the Association.

9.6 Application of Payment. All payments made by a Member shall be applied as provided in these Bylaws and in the Declaration or as determined by the Board.

9.7 Notice of Meetings. Notice of any meeting where Assessments against Members are to be considered for any reason shall specifically contain a statement that Assessments will be considered and the nature of any such assessments.

9.8 Declarant Exemption From Assessments for Lawsuits. The Declarant shall not be liable for the payment of any Assessments applicable to Lots it owns which relate in any way to the payment of legal or other fees to persons or entities engaged for the purpose of suing, or making, preparing or investigating possible claims against the Declarant.

10. Roster of Owners. The Association shall maintain current information regarding the title holders of all Owners. Such information shall be obtained by requiring each Member to file with the Association a copy of the deed or other document showing his ownership. The Association may rely upon the accuracy of any such information for all purposes until notified in writing of changes therein.

Only Members of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Members shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

11. Parliamentary Rules. Roberts' Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Declaration, the Articles or these Bylaws.

12. Amendments. Except as otherwise provided in the Declaration, these Bylaws may be amended in the following manner:

12.1 A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board or by not less than 1/3 of the votes of Members of the Association. A majority of the Board shall thereupon adopt a resolution setting forth the proposed amendment and directing that it be submitted to a vote at a meeting of the Members, which may be the annual or a special meeting.

12.2 Written notice setting forth the proposed amendment or a summary of the changes

to be effected thereby shall be given to each Member entitled to vote thereon within the time and in the manner provided in these Bylaws for the giving of notice of a meeting of the Members. If the meeting is an annual meeting, the proposed amendment or such summary may be included in the notice of such annual meeting.

- 12.3 At such meeting, a vote of the Members entitled to vote thereon shall be taken on the proposed amendment. The proposed amendment shall be adopted upon receiving the affirmative vote of at least a majority of the Members present in person or by proxy at the meeting (at which a quorum is attained).
- 12.4 Any number of amendments may be submitted to the Members and voted upon by them at any one meeting.
- 12.5 If all of the Directors and all of the Members eligible to vote sign a written statement manifesting their intention that an amendment to these Bylaws be adopted, then the amendment shall thereby be adopted as though the above requirements had been satisfied.
- 12.6 No amendment shall make any changes in the qualifications for membership nor in the voting rights of Members without approval by all of the Members and the joinder of all Institutional Mortgagees holding Institutional Mortgages upon the Lot(s). No amendment shall be made that is in conflict with the Declaration or the Articles. Prior to the closing of the sale of all Lots within the Community, no amendment shall make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Declarant, unless the Declarant shall join in the execution of the amendment, including, but not limited to, any right of the Declarant to appoint Directors pursuant to these Bylaws.
- 12.7 No amendment to these Bylaws shall be made which discriminates against any Member(s), or affects less than all of the Members within the Community, without the written approval of all of the Members so discriminated against or affected.
- 12.8 Upon the approval of an amendment to these Bylaws, the certificate of amendment shall be executed and a copy shall be recorded in the public records of the County.
- 12.9 Notwithstanding the foregoing, the Federal Housing Administration and the Veterans Administration shall have the right to veto any amendments to these Bylaws as long as there is a Class B membership.
13. Rules and Regulations. The Board may, from time to time, adopt, modify, amend or add to rules and regulations concerning the use and operation of the Community, except that subsequent to the date control of the Board is turned over by the Declarant to Members other than the Declarant, Members of a majority of the Lots represented at a meeting at

which a quorum is present may overrule the Board with respect to the adoption or modification of any rules and regulations. Copies of such rules and regulations shall be furnished by the Board to each affected Member not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Declarant.

14. Construction. Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all genders. If any portion hereof shall be found by competent judicial authority to be unenforceable, then only that portion shall be deemed deleted and the remainder shall be given its nearest permissible meaning and effect.
15. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define or limit the scope of these Bylaws or the intent of any provision hereof.
16. Conflict. In the event there should be found any irreconcilable conflict among or between the Declaration, the Articles and/or these Bylaws and in the absence of any express language indicating which document controls the particular subject matter, then the provisions of the Declaration shall be paramount, the Articles next paramount and these Bylaws subordinate.
17. Indemnification of Officers and Directors. Subject to the further provisions of this Section, the Association shall indemnify and hold harmless all officers and Directors, (and members of a Committee or Tribunal, as provided in **Section 18.3** hereof) past or incumbent, from and against all costs, claims, damages, expenses and liabilities of any kind whatsoever, including attorneys' fees and costs at all tribunal levels, arising out of the performance of such person's duties hereunder. Such indemnification and hold harmless provision shall (i) exist regardless of whether the Association itself is named as a party defendant or alleged to have any liability, (ii) include the payment of any settlements upon approval by the Board, and (iii) include indemnification of the estate and heirs of the indemnified party. Such indemnification and hold harmless provision shall not be applicable (i) to the extent the claim or liability is covered by insurance, or (ii) in the event a court of competent jurisdiction finally determines, after all appeals have been exhausted or not timely pursued, that the indemnified party did not act in good faith within what he reasonably believed to be the scope of his duty and/or authority and for purposes which he reasonably believed to be in the best interests of the Association or its Members generally and such court further specifically determines that indemnification should be denied. The provision of this Section may not be amended to terminate the effect hereof as to any persons who became officers or Directors while this Section was effective.
18. Suspension of Privileges; Fines. In the event of an alleged violation of the Declaration, the Articles, these Bylaws or the rules and regulations adopted hereunder, and after written notice of such alleged failure is given to the Member in the manner herein provided, the Board shall have the right, after the alleged violator has been given an opportunity for an appropriate hearing and upon an affirmative vote of the Board, to

suspend or condition said Member's and his family's, guests' and tenants' right to the use of the Common Areas (except for the portions thereof which are necessary as a means of ingress and egress) and to fine such Member. Any such suspension shall be for a period of not more than thirty (30) days for any noncontinuing infraction, but in the case of a continuing infraction (including nonpayment of any Assessment after the same becomes delinquent) the suspension may be imposed for so long as the violation continues. No fine shall exceed the sum of \$100.00 per violation. Repair or replacement costs shall not be deemed fines subject to the foregoing limitation. Any continuing violation shall be a separate violation for each day it continues. The failure of the Board to enforce the rules and regulations, these Bylaws, the Articles or the Declaration shall not constitute a waiver of the right to enforce the same thereafter. The remedies set forth above and otherwise provided by these Bylaws or by law shall be cumulative and none shall be exclusive. However, any individual must exhaust all available internal remedies of the Association prescribed by these Bylaws, or by any rules and regulations adopted by the Association, before that Member may resort to a court of law for relief from any provision of the Declaration, the Articles, these Bylaws or the rules and regulations. The rights of the Association to suspend voting rights, to impose interest charges, accelerate Assessment payments, or to otherwise enforce the payment of Assessments, as elsewhere provided in the Declaration and these Bylaws, shall not be subject to the provisions of this Section or require the notice and hearing provided for herein.

- 18.1 Written Complaint. A hearing to determine whether a right or privilege of a Member or any of his family or tenants ("Respondent") under the Declaration or these Bylaws should be suspended or conditioned or a fine imposed shall be initiated by the filing of a written Complaint by any Member or by any officer or Director with the President or Secretary of the Association. The Complaint shall constitute a written statement of charges which shall set forth in ordinary and concise language the acts or omissions with which the Respondent is charged, to the end that the Respondent will be able to prepare his defense. The Complaint shall specify the specific provisions of the Declaration, the Articles, these Bylaws or the rules and regulations which the Respondent is alleged to have violated, but shall not consist merely of charges phrased in the language of such provisions without supporting facts.
- 18.2 Discovery. After initiation of a proceeding in which the Respondent is entitled to a hearing, the Respondent and the individual filing the Complaint, upon written request made to the other party, prior to the hearing and within fifteen (15) days after service by the Board of Directors of the Complaint or within ten (10) days after service of any amended or supplemental Complaint, is entitled to (1) obtain the names and addresses of witnesses to the extent known to the other party, and (2) inspect and make a copy of any statements, writings and investigative reports relevant to the subject matter of the hearing. Nothing in this Section, however, shall authorize the inspection or copying of any writing or thing which is privileged from disclosure by law or otherwise made confidential or protected as work product.
- 18.3 Tribunal. The Board shall appoint a Tribunal of at least three Members where

applicable upon receipt of a written Complaint. No member of the Tribunal shall be a Director, Officers or employee of the Association, nor shall any member of the Tribunal be involved in any prior investigation of the matter on behalf of the Board nor related by blood or marriage to either the complaining party or the Respondent. In appointing the members of the Tribunal, the Board should make a good faith effort to avoid appointing any Members who are witnesses to the alleged violation giving rise to the Complaint or otherwise biased. The decision of the Board shall be final, except that the Respondent may challenge any member of the Tribunal for cause, where a fair and impartial hearing cannot be afforded, at any time prior to the taking of evidence of the hearing. In the event of such a challenge, the Board shall meet to determine the sufficiency of the challenge, without the President voting. If such challenge is sustained, the President shall appoint another Member to replace the challenged member of the Tribunal. All decisions of the Board in this regard shall be final. The Tribunal shall elect a Chairman. The Tribunal shall exercise all other powers relating to the conduct of the hearing. If the Tribunal, by majority vote does not approve a proposed fine or suspension, it may not be imposed.

18.4 Notice of Hearing. The Tribunal shall serve a notice of hearing, as provided herein, on all parties at least fourteen (14) days prior to the hearing.

18.5 Hearing.

- (a) Whenever the Tribunal has commenced to hear the matter and a member of the Tribunal is forced to withdraw prior to a final determination by the Tribunal, the remaining members shall continue to hear and decide the case. Oral evidence shall be taken only on oath or affirmation administered by an officer of the Association. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Tribunal.
- (b) Each party shall have the right to be represented by counsel; to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him to testify; and to rebut the evidence against him. If the Respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.
- (c) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding, unless it would be

admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

- (d) Neither the accusing Member nor the allegedly defaulting Member must be in attendance at the hearing. The hearing shall be open to attendance by all Members where applicable. In rendering a decision, official notice may be taken at any time of any generally accepted matter within the Declaration, the Articles, these Bylaws, the rules and regulations or the workings of the Association.

### NOTICE OF RIGHTS

As required by Sections 120.569(1), and 120.60(3), Fla. Stat., following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. Please note that this Notice of Rights is not intended to provide legal advice. Not all the legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult an attorney regarding your legal rights.

#### **RIGHT TO REQUEST ADMINISTRATIVE HEARING**

A person whose substantial interests are or may be affected by the South Florida Water Management District's (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, Fla. Stat. Persons seeking a hearing on a District decision which does or may determine their substantial interests shall file a petition for hearing with the District Clerk within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: 1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, Fla. Stat.; or 2) within 14 days of service of an Administrative Order pursuant to Subsection 373.119(1), Fla. Stat. "Receipt of written notice of agency decision" means receipt of either written notice through mail, or electronic mail, or posting that the District has or intends to take final agency action, or publication of notice that the District has or intends to take final agency action. Any person who receives written notice of a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

#### **Filing Instructions**

The Petition must be filed with the Office of the District Clerk of the SFWMD. Filings with the District Clerk may be made by mail, hand-delivery or facsimile. **Filings by e-mail will not be accepted.** Any person wishing to receive a clerked copy with the date and time stamped must provide an additional copy. A petition for administrative hearing is deemed filed upon receipt during normal business hours by the District Clerk at SFWMD headquarters in West Palm Beach, Florida. Any document received by the office of the SFWMD Clerk after 5:00 p.m. shall be filed as of 8:00 a.m. on the next regular business day. Additional filing instructions are as follows:

- Filings by mail must be addressed to the Office of the SFWMD Clerk, P.O. Box 24680, West Palm Beach, Florida 33416.
- Filings by hand-delivery must be delivered to the Office of the SFWMD Clerk. **Delivery of a petition to the SFWMD's security desk does not constitute filing. To ensure proper filing, it will be necessary to request the SFWMD's security officer to contact the Clerk's office.** An employee of the SFWMD's Clerk's office will receive and file the petition.
- Filings by facsimile must be transmitted to the SFWMD Clerk's Office at (561) 682-6010. Pursuant to Subsections 28-106.104(7), (8) and (9), Fla. Admin. Code, a party who files a document by facsimile represents that the original physically signed document will be retained by that party for the duration of that proceeding and of any subsequent appeal or subsequent proceeding in that cause. Any party who elects to file any document by facsimile shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the clerk as a result. The filing date for a document filed by facsimile shall be the date the SFWMD Clerk receives the complete document.

### **Initiation of an Administrative Hearing**

Pursuant to Rules 28-106.201 and 28-106.301, Fla. Admin. Code, initiation of an administrative hearing shall be made by written petition to the SFWMD in legible form and on 8 and 1/2 by 11 inch white paper. All petitions shall contain:

1. Identification of the action being contested, including the permit number, application number, District file number or any other SFWMD identification number, if known.
2. The name, address and telephone number of the petitioner and petitioner's representative, if any.
3. An explanation of how the petitioner's substantial interests will be affected by the agency determination.
4. A statement of when and how the petitioner received notice of the SFWMD's decision.
5. A statement of all disputed issues of material fact. If there are none, the petition must so indicate.
6. A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the SFWMD's proposed action.
7. A statement of the specific rules or statutes the petitioner contends require reversal or modification of the SFWMD's proposed action.
8. If disputed issues of material fact exist, the statement must also include an explanation of how the alleged facts relate to the specific rules or statutes.
9. A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the SFWMD to take with respect to the SFWMD's proposed action.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

If the District takes action with substantially different impacts on water resources from the notice of intended agency decision, the persons who may be substantially affected shall have an additional point of entry pursuant to Rule 28-106.111, Fla. Admin. Code, unless otherwise provided by law.

### **Mediation**

The procedures for pursuing mediation are set forth in Section 120.573, Fla. Stat., and Rules 28-106.111 and 28-106.401-405, Fla. Admin. Code. The SFWMD is not proposing mediation for this agency action under Section 120.573, Fla. Stat., at this time.

**GENERAL CONDITIONS**

1. All activities authorized by this permit shall be implemented as set forth in the plans, specifications and performance criteria as approved by this permit. Any deviation from the permitted activity and the conditions for undertaking that activity shall constitute a violation of this permit and Part IV, Chapter 373, F.S.
2. This permit or a copy thereof, complete with all conditions, attachments, exhibits, and modifications shall be kept at the work site of the permitted activity. The complete permit shall be available for review at the work site upon request by District staff. The permittee shall require the contractor to review the complete permit prior to commencement of the activity authorized by this permit.
3. Activities approved by this permit shall be conducted in a manner which does not cause violations of State water quality standards. The permittee shall implement best management practices for erosion and pollution control to prevent violation of State water quality standards. Temporary erosion control shall be implemented prior to and during construction, and permanent control measures shall be completed within 7 days of any construction activity. Turbidity barriers shall be installed and maintained at all locations where the possibility of transferring suspended solids into the receiving waterbody exists due to the permitted work. Turbidity barriers shall remain in place at all locations until construction is completed and soils are stabilized and vegetation has been established. All practices shall be in accordance with the guidelines and specifications described in Chapter 6 of the Florida Land Development Manual; A Guide to Sound Land and Water Management (Department of Environmental Regulation, 1988), incorporated by reference in Rule 40E-4.091, F.A.C. unless a project-specific erosion and sediment control plan is approved as part of the permit. Thereafter the permittee shall be responsible for the removal of the barriers. The permittee shall correct any erosion or shoaling that causes adverse impacts to the water resources.
4. The permittee shall notify the District of the anticipated construction start date within 30 days of the date that this permit is issued. At least 48 hours prior to commencement of activity authorized by this permit, the permittee shall submit to the District an Environmental Resource Permit Construction Commencement Notice Form Number 0960 indicating the actual start date and the expected construction completion date.
5. When the duration of construction will exceed one year, the permittee shall submit construction status reports to the District on an annual basis utilizing an annual status report form. Status report forms shall be submitted the following June of each year.
6. Within 30 days after completion of construction of the permitted activity, the permittee shall submit a written statement of completion and certification by a professional engineer or other individual authorized by law, utilizing the supplied Environmental Resource/Surface Water Management Permit Construction Completion/Certification Form Number 0881A, or Environmental Resource/Surface Water Management Permit Construction Completion Certification - For Projects Permitted prior to October 3, 1995 Form No. 0881B, incorporated by reference in Rule 40E-1.659, F.A.C. The statement of completion and certification shall be based on onsite observation of construction or review of as-built drawings for the purpose of determining if the work was completed in compliance with permitted plans and specifications. This submittal shall serve to notify the District that the system is ready for inspection. Additionally, if deviation from the approved drawings are discovered during the certification process, the certification must be accompanied by a copy of the approved permit drawings with deviations noted. Both the original and revised specifications must be clearly shown. The plans must be clearly labeled as "as-built" or "record" drawings. All surveyed dimensions and elevations shall be certified by a registered surveyor.
7. The operation phase of this permit shall not become effective: until the permittee has complied with the requirements of condition (6) above, and submitted a request for conversion of Environmental Resource Permit from Construction Phase to Operation Phase, Form No. 0920; the District determines the system to

**GENERAL CONDITIONS**

be in compliance with the permitted plans and specifications; and the entity approved by the District in accordance with Sections 9.0 and 10.0 of the Basis of Review for Environmental Resource Permit Applications within the South Florida Water Management District, accepts responsibility for operation and maintenance of the system. The permit shall not be transferred to such approved operation and maintenance entity until the operation phase of the permit becomes effective. Following inspection and approval of the permitted system by the District, the permittee shall initiate transfer of the permit to the approved responsible operating entity if different from the permittee. Until the permit is transferred pursuant to Section 40E-1.6107, F.A.C., the permittee shall be liable for compliance with the terms of the permit.

8. Each phase or independent portion of the permitted system must be completed in accordance with the permitted plans and permit conditions prior to the initiation of the permitted use of site infrastructure located within the area served by that portion or phase of the system. Each phase or independent portion of the system must be completed in accordance with the permitted plans and permit conditions prior to transfer of responsibility for operation and maintenance of the phase or portion of the system to a local government or other responsible entity.
9. For those systems that will be operated or maintained by an entity that will require an easement or deed restriction in order to enable that entity to operate or maintain the system in conformance with this permit, such easement or deed restriction must be recorded in the public records and submitted to the District along with any other final operation and maintenance documents required by Sections 9.0 and 10.0 of the Basis of Review for Environmental Resource Permit applications within the South Florida Water Management District, prior to lot or units sales or prior to the completion of the system, whichever comes first. Other documents concerning the establishment and authority of the operating entity must be filed with the Secretary of State, county or municipal entities. Final operation and maintenance documents must be received by the District when maintenance and operation of the system is accepted by the local government entity. Failure to submit the appropriate final documents will result in the permittee remaining liable for carrying out maintenance and operation of the permitted system and any other permit conditions.
10. Should any other regulatory agency require changes to the permitted system, the permittee shall notify the District in writing of the changes prior to implementation so that a determination can be made whether a permit modification is required.
11. This permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any activity approved by this permit. This permit does not convey to the permittee or create in the permittee any property right, or any interest in real property, nor does it authorize any entrance upon or activities on property which is not owned or controlled by the permittee, or convey any rights or privileges other than those specified in the permit and Chapter 40E-4 or Chapter 40E-40, F.A.C..
12. The permittee is hereby advised that Section 253.77, F.S. states that a person may not commence any excavation, construction, or other activity involving the use of sovereign or other lands of the State, the title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund without obtaining the required lease, license, easement, or other form of consent authorizing the proposed use. Therefore, the permittee is responsible for obtaining any necessary authorizations from the Board of Trustees prior to commencing activity on sovereignty lands or other state-owned lands.
13. The permittee must obtain a Water Use permit prior to construction dewatering, unless the work qualifies for a general permit pursuant to Subsection 40E-20.302(3), F.A.C., also known as the "No Notice" Rule.
14. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities

**GENERAL CONDITIONS**

which may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any system authorized by the permit.

15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding, unless a specific condition of this permit or a formal determination under Section 373.421(2), F.S., provides otherwise.
16. The permittee shall notify the District in writing within 30 days of any sale, conveyance, or other transfer of ownership or control of a permitted system or the real property on which the permitted system is located. All transfers of ownership or transfers of a permit are subject to the requirements of Rules 40E-1.6105 and 40E-1.6107, F.A.C.. The permittee transferring the permit shall remain liable for corrective actions that may be required as a result of any violations prior to the sale, conveyance or other transfer of the system.
17. Upon reasonable notice to the permittee, District authorized staff with proper identification shall have permission to enter, inspect, sample and test the system to insure conformity with the plans and specifications approved by the permit.
18. If historical or archaeological artifacts are discovered at any time on the project site, the permittee shall immediately notify the appropriate District service center.

11. THIS PERMIT DOES NOT ELIMINATE THE NECESSITY TO OBTAIN ANY REQUIRED FEDERAL, STATE, LOCAL AND SPECIAL DISTRICT AUTHORIZATIONS PRIOR TO THE START OF ANY ACTIVITY APPROVED BY THIS PERMIT. THIS PERMIT DOES NOT CONVEY TO THE PERMITTEE OR CREATE IN THE PERMITTEE ANY PROPERTY RIGHT, OR ANY INTEREST IN REAL PROPERTY, NOR DOES IT AUTHORIZE ANY ENTRANCE UPON OR ACTIVITIES ON PROPERTY WHICH IS NOT OWNED OR CONTROLLED BY THE PERMITTEE, OR CONVEY ANY RIGHTS OR PRIVILEGES OTHER THAN THOSE SPECIFIED IN THE PERMIT AND CHAPTER 40E-4 OR CHAPTER 40E-40, F.A.C..
12. THE PERMITTEE IS HEREBY ADVISED THAT SECTION 253.77, F.S. 15. ANY DELINEATION OF THE EXTENT OF A WETLAND OR OTHER SURFACE WATER SUBMITTED AS PART OF THE PERMIT APPLICATION, INCLUDING PLANS OR OTHER SUPPORTING DOCUMENTATION, SHALL NOT BE CONSIDERED BINDING, UNLESS A SPECIFIC CONDITION OF THIS PERMIT OR A FORMAL DETERMINATION UNDER SECTION 373.421(2), F.S., PROVIDES OTHERWISE.

ALL TRANSFERS OF OWNERSHIP OR TRANSFERS OF A PERMIT ARE SUBJECT TO THE REQUIREMENTS OF RULES 40E-1.6105 AND 40E-1.6107, F.A.C.. THE PERMITTEE TRANSFERRING THE PERMIT SHALL REMAIN LIABLE FOR CORRECTIVE ACTIONS THAT MAY BE REQUIRED AS A RESULT OF ANY VIOLATIONS PRIOR TO THE SALE, CONVEYANCE OR OTHER TRANSFER OF THE SYSTEM.
