

455 Foxdale Lane
Special Features and Upgrades

Exterior Features

- This distinguished four-sided brick residence has been meticulously maintained and thoughtfully updated throughout.
- Savor al fresco dining and leisure moments on the composite rear deck, which gracefully overlooks professionally designed landscaping in the serene, private rear yard.
- The expansive three-car garage provides abundant storage solutions and convenient side entrance access.
- New French drain around exterior and new sump pump in basement for peace of mind!
- This prestigious established community boasts a wooded walking trail with picturesque pond and lake vistas, complemented by resort-style amenities including tennis court, fitness facility, and swimming pool with adjacent pool house for sophisticated entertaining and special occasions.

Interior Features

- This luminous and spacious residence features neutral paints, soaring ceilings, lustrous hardwood flooring, and custom window treatments in the two-story great room.
- The sophisticated open floor plan creates an ideal environment for entertaining, welcoming guests through light-filled formal living and dining rooms adorned with expansive picture windows.
- The dramatic two-story great room commands attention with its dazzling crystal chandelier and elegant gas fireplace, beautifully framed by custom built-in bookcases.
- The chef-inspired gourmet kitchen features premium granite countertops, rich cherry cabinetry, and a complete suite of new, high-end, stainless-steel appliances, including a Kenmore Elite 5 burner gas range.
- Enjoy casual dining in the charming breakfast room adjacent to the kitchen.
- The main level owner's suite presents a sophisticated retreat featuring a cozy gas fireplace with custom built-in bookshelves, dual walk-in closets, and an opulent ensuite bathroom complete with generous jacuzzi soaking tub, separate shower and dual vanities.
- The generously appointed laundry area features extensive storage cabinetry and exclusive access to the private back staircase leading to the second floor.
- Convenient powder room completes the main level.
- The upper level presents a second spacious owner's suite featuring walk-in closets and a spa-inspired bathroom with granite countertops, luxurious soaking tub, glass-enclosed shower, bidet, and designer fixtures.
- Three additional bedrooms (all with large closets) grace the second floor, including one with a private ensuite bathroom and two others served by a shared full jack and jill bathroom with double vanity.
- Elegant sitting area provides a tranquil overlook of the great room below.
- Finished, light-filled walk-out basement showcases new luxury vinyl plank flooring and features a dedicated workout room, an expansive recreation room, and two versatile bedrooms/home office spaces. Complete with full bathroom and private entrance, this level offers exceptional flexibility for guests or multi-generational living.
- Unfinished storage space provides additional utility and completes the basement level.
- HVAC System features a humidifier and HVAC and Water Heater are professionally maintained.
- Central vacuum, surround sound speakers (as-is) and more!
