WASHINGTON COUNTY, OREGON

DATA 8-5-92 gmc
location, depth, & arrangement of all parts of the individual septic tank system (including distribution box & substructure (lines) will conform to details shown on this plot plan. Any deviation from plan as here shown must be approved by the County Health Department in writing in advance of installation. Failure on the part of the builder or owner to comply with these requirements voids any obligation for Health Department approval of the finished system.
