# FIVE STAR PROFESSIONAL MARKET LEADERS FOR 2021

It's not easy finding great professionals to help you with a home purchase or sale. A home transaction is such a big deal, you shouldn't operate on vibes alone. And you don't have to. Five Star Professional's objective research identifies select real estate professionals across the country who are providing outstanding service to their clients. We contact thousands of recent homebuyers every year, soliciting feedback online and on the phone. We conduct phone interviews with candidates and put in thousands of hours per year trying to identify the country's great agents, mortgage professionals and insurance professionals.

Our winners stand out due to their excellence in overall client satisfaction, market knowledge and whether they would be recommended to a friend. No more than 7 percent of professionals in a geographic market can be named a Five Star award winner. We believe our proprietary research process results in a selection of Five Star winners who are uniquely focused on the

needs of their clients and stand out from the competition. This Market Leaders section showcases just a small portion of our overall winners. See below for our short list of outstanding real estate, mortgage and home/auto insurance agents in major geographic markets across the nation.

## We've identified outstanding:

- Real estate agents
  - Mortgage professionals
  - Home/auto insurance professionals
- From across the country!

## Five Star Award Winners are chosen via our objective research process:

- Five Star Real Estate Agents, Five Star Mortgage Professionals or Five Star Home/Auto Insurance Professionals do not pay a fee to be included in the research.
- Each professional is screened against state governing bodies to verify that licenses are current and no disciplinary actions are pending.
- The inclusion of a real estate agent on the final list should not be construed as an endorsement by Five Star Professional or this publication.
- For more information on our research methodology, go to [www.fivestarpromotional.com](http://www.fivestarpromotional.com).
