Tucked within an intimate enclave in Norbrook, this refined 3-bedroom townhouse spans 4200 sq. ft. of thoughtfully designed living space in a boutique gated complex of just nine residences. With soaring 9-foot ceilings, a bonus room, staff quarters, and a sky lit interior, the home blends warmth with functionality. Enjoy the charm of hardwood floors upstairs, porcelain and ceramic tiles below, and seamless indoor-outdoor living

with a fully roofed and decked patio. Equipped with solar water heating, a gravity-fed water tank, full-house generator wiring, and AC units in every room, this home offers both comfort and efficiency. A private service entrance, meshed windows, and 24-hour security complete the offering in this rare gem of a community.

Nestled in an exclusive 9-unit gated enclave in Norbrook, this 3-bedroom, 4,200 sq. ft. townhouse offers a blend of elegance and practicality.
